County Forest Warden Charlie Evans urges the cooperation of every person in Jackson county in preventing fires during the coming fall fire season.

If you have brush, ditch banks, or pasture to burn, please secure a burning permit before you burn.

State law 14-239 states that a permit is required before igniting any material within the woodlands or adjoining woodlands between the dates of Oct. 1 and Nov. 30, and Feb. 1 and June 1.

Permits may be secured at the following places: District Forester Sylva; County agent, Sylva; Ode Robertson's store, Willets; Frank Brown, Wolf Mountain; William Taylor's store, Yellow Mountain; Harve Powell's store, Tuckaseigee; Neal Tucker, Erastus; Walter Hooper, Cashiers; Ed Battle, Cullowhee; McCoy's store, Glenville; Mitchell Melton, Argura; and Charles Evans, County Forest Warden.

Remember all brush burners are responsible for their fires. Be sure everything is in readiness before burning and you have ample help to control all burning.

Never leave the fire until it is out.

Be careful and help conquer the number one forest enemy-FIRE. Remember, only YOU can prevent fires.
