Q—I am going to be trained under Public Law 16 and would like to know if I can borrow money from Veterans Administration in case of need when I enter training?

A—Yes. Loans from a revolving fund, provided by Congress, not exceeding \$100 in any case, may be made to trainees commencing or undertaking vocational rehabilitation.

Q—Is vocational guidance available to veterans wishing to take on-the-job training or is this service offered only to disabled veterans?

A—Any veteran found eligible for education or training under the Servicemen's Readjustment Act (G. I. Bill) is entitled to educational and vocational guidance provided by trained counselors at VA regional offices, subregional offices, and guidance centers.

Q—Will payments made to schools, subsistence allowance or readjustment allowance paid to me be deducted later from any future bonus that may be authorized by Congress?

A—No.

Q—May a veteran, receiving disability compensation, receive at the same time subsistence allowance under Public Law 346, (G. I. Bill)?

A—Yes.

Q—Do I have to repay subsistence allowance overpayments before I can go back to school under the G. I. Bill?

A—No. You merely have to

WHEN THE WHITE HOUSE News Photographers Association presented a movie camera to President Truman, the Chief Executive, in good humor, promptly made the lensmen pose for pictures. More than 100 association members were on hand for the ceremony. (International)

make satisfactory arrangements to repay all overpayments before you will be permitted to reenter school under Public Law 346 (G. I. Bill). It is VA's policy not to force any undue hardships on a veteran in the collection of these funds.

Q—Is VA going to help veterans like myself whose hearing was impaired while in the service?

A—Yes, by a special program of medical rehabilitation to help you overcome hearing handicaps. The program includes a series of hearing and speech tests, the selection and fitting of a hearing aid if indicated, auditory training, lip reading instruction and speech correction if necessary.

Q—My son has renounced disability payments and I would like to know if he or his wife will lose their rights to other benefits provided by law?

A—No. Neither your son nor his dependents will lose any of their rights to other benefits provided for them by law.

Q—My grades at school have been low and I would like to know if VA will help me find a way to bring my grades up?

A—You may receive assistance of VA's educational and guidance service in an endeavor to correct those factors which may be contributing to your low grades. However, you will have to meet the requirements of the school if you wish to continue your course.

Orders For Fertilizer Should Be Placed Early

To be more sure of getting fertilizer requirements for the 1948 crops, Tar Heel farmers should place their orders early and accept the fertilizer as soon as it can be delivered, say Extension Agronomists at State College.

Being their statement upon information received from the Plant Food Institute of North Carolina and Virginia Inc., they advise farmers who have a dry place and can store their fertilizer to place their orders and begin to accept delivery of it.

Since such a large tonnage of solid nitrogen is being sent to foreign countries, it is necessary for farmers in this country to use a larger per cent of liquid nitrogen than normal. Tank cars for shipping this nitrogen are very scarce, and the normal supply of tank cars is not sufficient to ship this concentrated form of nitrogen. Too, it has to be used immediately upon delivery by spraying the liquid into superphosphate, which makes up the base for mixing commercial fertilizer.

With the large demand for fertilizer in the West, and all over the United States, it would be most unfortunate for any of the regular allocations of nitrogen for this section to have to be diverted because of insufficient storage space at the manufacturing plants.

Since this particular area is so deficient in producing the grain requirements for the livestock, farmers should do everything possible to get the fertilizer needed to produce the grains, hay, and pasture needed for the limited amount of livestock, they said.

Grain export quotas for November as announced by the U. S. D. A. total 788,800 long tons of wheat, flour (in wheat equivalent), and grain sorghums. The November figure compares with the October export quota of 1,213,400 long tons.

The Cullowhee high school will sponsor a Halloween carnival Thursday night at 7:30. It will be held in the training school and will feature a beauty contest in which a Harvest Queen will be chosen.

Entries in the beauty contest are the Misses Anice Wood, 8th grade; Jo Ann Hodgin, 9th grade; Betty Smith, 10th grade; Sara Sue Norton, 11th grade and Mary Sue Zachary, 12th grade.

Other events of the carnival will be a "house of horrors," bingo, a cake walk, fortune telling, a fish pond, a guessing cake and a short technicolor movie.

Proceeds of the carnival will be used for athletic equipment.

Religious Extension Discussed By Barrett Before WCTC Group

Troy Barrett, Director, North Carolina Methodist Student Movement, was guest speaker at a meeting of the Cullowhee Wesley Foundation in the Student Union Building at Western Carolina Teachers college Monday night. Twenty-two persons attended.

His topic, taken from the Book of Judges, was "Let each man stand around about in his own place."

Mr. Barrett is now doing graduate work at Duke University. He is visiting a number of college campuses in western North Carolina, his purpose being to exchange ideas for progress in religious extension work.

After the meeting the Foundation entertained with a sandwich supper, following which the group went to the home of the Rev. R. T. Houts, pastor of the Cullowhee Methodist church, for further planning.

Gene Hannemann, president of the local Wesley Foundation, said the group will go to Brevard Sunday to give a program at the Methodist church there.

Sweet potato storage houses should be thoroughly cleaned and disinfected before a new crop of potatoes is placed in them.

Mr. and Mrs. Maurice Evans of Galax, Va. visited friends here last week. Mrs. Evans is the former Miss Flossie Parks who made her home here for several years.

Mrs. Fannie Tritt has returned after several weeks stay in Long Beach, Calif. Her daughter, Marcia, who has been quite ill, has recovered sufficiently to return home with her.

Mr. P. H. Hamilton and family have gone to Appalachia, Va. to attend the funeral of Mr. Hamilton's brother.

Mr. and Mrs. Guy Wachob spent last week-end in Asheboro with Mr. and Mrs. Davis Potts.

Friends of Glenn Barnes will be glad to know that he has returned home after having been in a Greenville, S. C. hospital. He is reported to be getting along nicely.

Mr. Barnes now lives in Pickens, S. C.

Howard Barnhorst, Indianapolis, is the new mayor of Boodleville, G. I. student village of Western Carolina Teachers college. He succeeds Joe Lance, Asheville.

Village councilmen, named in the same election as Barnhorst, are Jack Smathers, Canton; Sam Gibson, Marion; Lyle Jones, Cullowhee; J. D. Morgan, Dillsboro; Bruce Gaines, Fayetteville; and Fred Engman, Spokane, Wash.

Mrs. Wanda Smathers, Canton, was named secretary to the council.

Mr. and Mrs. Ben Norton of Biltmore spent the week-end with Mr. and Mrs. Luther Wike.

Miss Lahoma Robbins and Mrs. Agnes Wike Smith, spent the week-end with Mr. and Mrs. Carter Wike.
