Vets Problems

Q—I am a World War I veteran and would like to know if I am eligible for medical care and hospitalization in a Veterans Administration hospital?
A—You are eligible for hospitalization in a VA hospital if you have a service-connected disability. If your disability is nonservice-connected, you must state under oath that you are financially unable to pay for private treatment. Then you must wait until a bed is available in a VA hospital.

Q—What veterans have preference to Veterans Administration hospital beds?
A—Veterans suffering from service-connected disabilities and those requiring emergency treatment are given preference to hospital beds.

Q—Am I eligible to benefits under Public Law 16 if I was discharged for a service-connected disability before I had served 90 days in the armed forces?
A—Yes. For purposes of Public Law 16, service of 90 days in the armed forces is not required.

Q—Can you tell me what the deadline is for a disabled veteran to apply for one of the specially equipped automobiles?
A—Yes.
A—The last date on which application can be approved is June 30, 1948.

Q—May a veteran receiving disability compensation, receive at the same time subsistence allowance under Public Law 346?
A—Yes.
