Always industrious, Aunt Sis for 84 years never missed a summer working in her garden. At the time of her death two grandsons, Jim and Pink-Collins, were living with her. OVER 50 % OF 1947 TAXES COLLECTED

According to Mr. Jennings A. Bryson, Commissioner of Finance for Jackson county, over 50 per cent of the 1947 taxes have been paid up to last Friday, December 19. Payments up to this date totaled \$90,836.30. The total tax levy for the county is \$169,495.36, based on a total county property valuation of \$11,059,691.00. Mr. Bryson said that this is a very good showing in collections, considering some of the larger corporations have not paid. The Southern Railway, one of the big taxpay. ers of the county, usually pays in February, which amounts to over \$20,000.00.

Most of the 1946 taxes have been collected.

ALLEY TO RETIRE AS 20TH JUDICIAL DISTRICT JURIST

Dan K. Moore Slated For Successor, B. C. Jones Mentioned For Solicitor

Superior Court Judge Felix E. Alley, Waynesville, announced Tuesday that he will retire in February or early March.

Judge Alley said that he had advised Governor Cherry of his plans to retire. On January 26, the Waynesville jurist will complete 15 years' service as resident judge of the 20th judicial district. This district embraces Haywood, Swain, Cherokee, Macon, Graham, Clay and Jackson counties.

Unofficial reports from Raleigh suggest that Governor Cherry will elevate Solicitor Dan K. Moore of this city to the judgeship and name State Senator Baxter C. Jones, of Bryson City, to succeed Mr. Moore as solicitor. These appointees would serve until their successors are elected next November.

Judge Alley was appointed by Governor Ehringhaus on Jan. 26. 1933, to fill the unexpired term of Judge Walter E. Moore. He was elected to a regular term in 1934 and reelected in 1942.

A native of Jackson county, he was clerk of Jackson county Superior court from 1898 to 1902, and represented the county in the 1905 legislature. In 1910 he was elected solicitor of the district, but did not seek a second term.
