under the basket throughout the game and, despite the fact that Barnhorst and Rhodes each fouled out in the last half, they froze the ball for the last minute of the game.

With seven minutes of the last half gone the Indians tied the score at 31-31 on Woods free throw. Veo Rhodes retaliated with two foul shots to put the Cats ahead again and they were not headed after that.

Catamount forward Bob Tate rung up 16 points to run his total for the season to 171 for 12 games. Bob McGinn bucketed 12 for the Cats. Wood with 12 and Walsor with 11 sparked the losers. There were no defensive standouts on the Catamount squad but each starter, Tate, McGinn, Rhodes, Barnhorst and Pressley played exceptionally well throughout the game.

In the preliminary game, the Western Carolina "B" Squad edged the Brevard college Tornados, 42-40. For the Catamounts the scoring was somewhat equally divided between the players with Nub Davis tops with 12 points. For Brevard King and Morgan each bagged 13.

Catamounts will be out to avenge the 23-13 defeat handed them by Knoxville boys in the Smoky City two weeks ago.

Going into the meet Saturday night in Catamount uniform will be, not a bunch of inexperienced wrestlers, but a group of boys with two meets under their belts already this year. Two meets is not enough to say a man is experienced but wrestlers learn a lot in their first two and Coach Hensley has been putting his men through the rough this week so no one will be unconditioned for the meet.

Besides the Knoxville defeat, the Cats were handed a 29-5 licking by the Appalachian Statesmen last week. Appalachian is considered one of the standout powers in wrestling throughout the South and Hensley was well pleased with the showing that his men gave the Mountaineers. Appalachian's roster included several AAU champions and their heavyweight, Allen Bandy, a North Carolina titleholder, was pinned in 1:30 of the third period by Western Carolina's Pop Goodson. Goodson is a pre-war star of Catamount mat teams and is co-captain with Jack McCracken of Canton of the W.C.T.C. team this year.

Probable starters for the Cats are: 121 pounder, Charles Clayton, Winston-Salem; 128, David Bird, Winston-Salem; 136, Jake Atkinson, Hamlet; 145, Don Thames, Charleston, S. C.; 155, Tom Garland, Robbinsville; 165, Jack McCracken, Canton; 175, Bruce Burlington, Bakersville, or Bill Luquire, Raleigh; and heavyweight, Pop Goodson, Lincolnton.

### Sylva High Takes On Canton, Cullowhee On Home Court This Week

The Sylva High cagers meet two foes this week on their home court. Thursday night they play host to the Canton Black Bears and Friday night to the Cullowhee cagers. Both opponents are expected to afford the Sylva teams with plenty of competition. The Sylva girls have lost only one time in 11 starts this season and while the boys do not have as impressive a record as this, they still are a powerful team.

The Commodity Credit Corporation bought 707,518 bushels of wheat and 21,412 bushels of barley during the period from noon of December 5 to noon of December 12.

### Kidneys Must Work Well

For You To Feel Well  
 24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood.
