Vets Problems

Q—I was told that my disability, which I claim was due to service, cannot be service-connected because I had it before I entered service. Am I eligible for compensation?

A—If VA decides that your ailment was incurred in or aggravated by your service in the armed forces you will be entitled to receive compensation, if it exists to a compensable degree.

Q—I am a veteran of World War I and would like to know if there is any limit for filing a claim for compensation for disability caused by my war service?

A—There is no time limit set for filing claim for compensation under existing legislation.

Q—I was practically compelled to sign a statement before my discharge that my disability existed prior to my enlistment. Will this prevent my receiving compensation?

A—Any statement of this nature, according to the Servicemen's Readjustment Act (G-I Bill), which you made at discharge is considered null and void. Decision as to service connection of the disability will be made by Veterans Administration based on the service medical record, excluding the statement made at time of discharge.

Q—I have been receiving readjustment allowance from Veterans Administration, and now would like to know if the money that has been paid to me will be deducted from any future bonus that may be authorized by the U. S. Congress?
A—No.

Future Farmers To Publish Paper

The Cullowhee Chapter of the Future Farmers of America voted at their recent meeting to publish a school paper. The first issue will probably be completed within two weeks.

Darrell Tilley, President of the organization, stated that a school paper would add much to each grade and department in the school since it is expected that each grade and organization will contribute news items pertaining to their particular part of the school.

In setting up the organization Tilley appointed the following boys to work under his supervision; O. V. Cagle, Editor-in-chief, J. M. Taylor, Associate Editor, Bobby Gunnels, Sports editor, James Wike, Cartoonist, Wayne Green, Advertising Manager, Doyle Taylor, Photographer, and Grady Ward, Chief Reporter.

The paper which will be published bi-weekly is to be named by the students. The student presenting the most appropriate name will be given a prize.

To finance the project ads will be sold to local business firms, and in addition ten cents will be charged per copy.

Men Of Presbyterian Church Organize

A number of men of the Sylva Presbyterian church met at the home of Mr. and Mrs. J. A. Gray on last Friday evening for their first monthly dinner meeting and for the purpose of forming a Men's organization. The dinner, prepared by Mrs. Gray and members of the Woman's Auxiliary, was served at 7:00 o'clock with 12 men present.

Rev. R. E. McClure, executive secretary of the Home Mission Board of the Asheville Presbytery and the Rev. Malcom Williamson, pastor of the Waynesville Presbyterian church, were special guests and speakers for the occasion.

Following the dinner the group retired to the living room where Mr. McClure talked on the work of the Sylva church, its past progress, and plans for future work. He told of the acquisition of a lot in Sylva for the proposed new church, and presented the treasurer of the church with a check for \$1,026.00 the proceeds of a War Bond, gift of an out-of-town friend of the church, which is being applied on the purchase price of the lot.

Mr. Williamson then talked to the men on the necessity of complete cooperation of all groups in the work of the church, and the community in all their activities.

Rev. W. H. Wakefield, pastor of the local church then took charge as acting chairman in organizing the men. Jackson Dunn was then elected permanent chairman, J. A. Gray vice chairman and E. W. Wilson secretary and treasurer. A program committee was elected with N. R. Beacham, chairman, C. C. Pettit and Rev. W. H. Wakefield.

The group will meet the first Friday evening of each month, with the March meeting at the home of Rev. and Mrs. Wakefield.
