

Miss Albright Goes To Chicago For Meeting Of Deans

Miss Anne Albright, dean of women at Western Carolina Teachers college, will leave Cullowhee Friday afternoon for Chicago where she will attend the annual convention of the National Association of Deans of Women, which is being held in conjunction with the convention of the Council of Guidance and Personnel Associations, March 29-April 1.

Prof. Luther R. Taff, of the school's English department, will leave Saturday to attend the latter convention, as a representative of the WCTC Guidance clinic.

Miss Albright is chairman of the Teachers College section of her convention, and has planned her part of the program on "How Deans of Women in Teachers Colleges May Assist in Attracting Fine Young People to the Teaching Profession." This will be the second time Miss Albright has attended the convention during her two-year term as dean of women.

While in Chicago Miss Albright plans to see the exhibit of Renaissance French tapestries, which have been loaned to the United States by the French government, and are now on display at the Art Institute of Chicago for a period of seven weeks.

FLOORMAN REGAINS 21 POUNDS TAKING RETONGA

He Felt So Run-Down He Was Losing Time From Work Every Month, States Mr. Parker. Acid Indigestion And Sluggish Elimination Promptly Relieved.

"I felt so down and out that every month I was forced to lose time from my work, but thanks to Retonga I have regained 21 pounds and feel better than in years", gratefully declares Mr. Harvey H. Parker, well known resident of 407 Windsor Street, Atlanta, and floorman at the Linde Air Products Company plant.

"Every bite I ate seemed to sour and form so much gas that at night I frequently had to sit up for hours until I could get relief", said Mr. Parker. "I had to take strong

laxatives and I guess I stayed full of toxic poisons for at times every muscle in my body seemed to ache. I lost weight and felt so weakened that it was an effort for me just to keep going.

"I didn't believe any medicine could give me the relief Retonga did. I'm eating everything, sleep like a top, and have regained 21 pounds. Constipation and pains and aches are relieved. I feel better and stronger than in years. Everyone suffering as I did ought to know about Retonga."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Sylva Pharmacy—Adv.
