WILL NORTON

EDITORS NOTE - This is the fourth in a series of articles on persons in Jackson county who are over ninety years old, by Larry Mull, Herald Correspondent.

Mr. Will Norton, for birth certificate purposes is William Campbell Preston Norton. His birthday falls on September 17-same day as your correspondent.

Mr. Norton, more affectionately known to his family and friends and Cullowhee school's faculty and students as "Uncle Will," is 91 years old. He was born in 1858, and is the only living member of the original board of trustees of Western Carolina Teachers College, Cullowhee.

Uncle Will is a familiar figure on the streets in Sylva Saturdays, the day he sets aside to "swap horses," one of his chief hobbies for the past several years. He is also known to make trips by bus as far away as Atlanta, Ga.

Mr. Norton served for four years as county commissioner and as Sheriff of Jackson county for four years. He claims the distinction of never having been sick or treated by a physician in his entire life. He enjoys good health, hears well and never wears glasses to read. Despite his age he still participates in community activities.

You'd never believe Uncle Will to be past ninety just by looking at him. For all the birthdays he has had, he is as keen as a whiplash. Having a marvelous memory, he is a recognized authority on moun-

TAKES RETONGA WHEN HE FEELS RUN-DOWN

Says Retonga Hits The Spot With Him in Relieving Acid Indigestion. Gas On Stomach, Constipation. Takes Famous Gastric Tonic In Spring and Winter.

"I'm not the sick-and-complaining kind of man, but when I do feel out of sorts I turn to Retonga for relief," declares Mr. William L. Nicholson, well-known home-owner and rural mail carrier of Rockingham, N. C.

"I've been feeling bad off and on for several years. Usually every Spring and again around Christmas, during the mail rush, I take retonga to help me along. I would suffer from distress due to sour stomach and acid indigestion."

My food seemed to stop midway and gas pressure in my stomach kept me from getting the proper rest. At times bitter, undigested food particles would come back up in my mouth. I had to take strong laxatives for constipation.

"Retonga just seems to hit the spot with me and bring me the relief I need. I eat, sleep, and feel fine. The nervous indigestion is relieved and I don't have to use those strong laxatives, or purgatives now. I am ever grateful for the good Retonga does me and I am happy to pass along to others my wonderful experience with it."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at Sylva Pharmacy.
