Whittier PTA To Have Spring Carnival

The Whittier Parent Teachers association will sponsor and present a spring carnival on May 21 at 7 p. m. in the school building at Whittier. The carnival is being put on for the purpose of raising funds for certain school purposes and also to give a good time to those who attend. Some of the features of the carnival will be a "country store", fishing pond, hot dog stand, fortune telling, a wishing well and other events.

The highlights of the carnival will be crowning of the King and Queen and folk dancing contest. Jackson county has been asked to send a dance team of school age to make the members eligible to compete.

Smith Is Vice President Of WCTC International Relations Club

Cullowhee — The International Relations club of Western Carolina Teachers college Monday night elected officers for the next school year.

Robert Phillips, York, S. C., was named president; William Smith, East LaPorte, vice president; and Jackie Higdon, Tapoco, secretary-treasurer.

A standing committee, headed by James D. Wallin, Marshall, was asked to secure a speaker for the club's next meeting, May 16.

Following the program club members were served refreshments in the apartment of Dr. Rosser H. Taylor, faculty sponsor, and Mrs. Taylor.

It's Back!

THE TIRE THAT SETS THE PACE IN THE LOW PRICE FIELD!

MARATHON

by **GOODYEAR**

"IT RUNS AND RUNS AND RUNS"

Marathon — the famous money saving tire is back in the Goodyear line — and a better "buy" than ever! You get the economy, long mileage and safety — the extra value for your dollars that made Marathon the favorite of millions of motorists before the war... added to this — more and stronger cords in the rugged tire body give the new Marathon even greater protection against tire failure. Stop in today and trade your worn tires for new Marathons — the money saving low price tire that has these features...

LONG WEAR — New specially treated cords and newly compounded rubber make Marathon the tire that "runs and runs and runs".

NON-SKID SAFETY — Those famous Goodyear diamond blocks really grip the road. You get safer, quicker stops — especially on wet, skiddy roads.

"COMPACTING TREAD" — Inflation forces the sidewalls out, compacts the tread. This reduces tread wear, punctures, bruises and breaks.
