 Funeral rites for Pfc. Clyde L. Crisp, 32, son of Mr. and Mrs. H. G. Crisp, killed in action in France

on October 11, 1944, were held Sunday afternoon at 2:30 o'clock at Zion Hill Baptist church in the Savannah section of the county. Rev. Joe Bishop and Rev. William L. Sorrels were the officiating main-

**Sylva High FFA Boys Make Profitable Tour**  
 By Frank Holden

It was Friday, April 30, that 31 Future Farmers of America of Sylva High school and their teacher, John Corbin, started out for Knoxville and Oak Ridge, Tenn. The chartered bus left Sylva at 9 a. m. There was a short stop at the top of the Smokies for a stretch and a halt for lunch in Knoxville at 1:15.

The Future Farmers visited the University of Tennessee, where they were met by a guide who showed 'em points of interest there. Particular interest was shown in the dairy barns and brooder houses. The boys picked up many valuable pointers for use on their own farms.

Oak Ridge was the next stop. While waiting for their passes to be checked, the boys were interested in the precautions of the checking station. The guards examined all vehicles closely, even removing the seats of the cars. The boys report that there are eleven grammar schools and one junior high school in Oak Ridge. They returned to Sylva at 10:00 p. m., tired but having had a most enjoyable tour.

Pfc. Crisp's body arrived in Sylva Friday and was taken to Moody Funeral Home and on Saturday was carried to the home of his parents in Franklin.

Surviving are the parents; five brothers, Robert and Wallace of Detroit, Howard and Guy of Franklin, and Willard of Highlands; and five sisters, Mrs. W. G. Crawford, Franklin, Rt. 2, Mrs. Bethel Cleveland and Mrs. Louise Galloway of Highlands, and Misses Laurene and Cathleen Crisp of Franklin.

Pallbearers were Johnny Odell Johnson, Lester Wilson, Perry R. Hyatt, Leeter Woodard, Eldon Watson and Cameron Lee Buchanan.

Pfc. Crisp was in service for more than two years, but had been overseas for only two months.

Small fruit growers in North Carolina will be interested in a new bulletin on "Bunch Grape Culture" recently released by the State College Extension Service.

The fifth National Farm Safety Week, sponsored jointly by the U. S. Department of Agriculture and the National Safety Council, will be held July 25-31.

**RETONGA BROUGHT HER HAPPY RELIEF**

**Felt Uncomfortable And Full After Eating, Slept So Poorly She Awakened With Splitting Headaches. Thanks Retonga for Prompt Relief in Her Case.**

"Retonga brought me such happy relief that I am glad to tell others about it," gratefully states Mrs. Mercer C. Grant, respected resident of Raleigh, N. C., in joining the thousands who publicly praise this famous gastric tonic. A member of the Christian Church and active in its circle activities, Mrs. Grant continues about her case: "I suffered untold distress from nervous indigestion and after eating I would feel so full and uncomfortable I didn't know what to do for relief. I felt so weakened and run-down that the least bit of exertion would tire me so that I felt completely fagged out.

I slept so poorly that in the mornings when I woke up I felt like the top of my head would come off, it ached so bad.

"The relief Retonga brought me was a wonderful experience, for it has helped me more than anything else to relieve the distress I suffered from nervous indigestion. I sleep well at night now and no longer suffer those splitting headaches, and I have regained much of my strength and energy. It is a pleasure to recommend Retonga to anyone suffering the agonies I did."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to give you gratifying relief, your money will be refunded. You can get Retonga at Sylva Pharmacy—Adv.

**PONTIAC**  
 A FINE CAR MADE EVEN FINER

**Not a single thing lacking!**

To be completely satisfactory, a motor car must give you many things—and Pontiac gives them all!  
 It is big and beautiful—so big and beautiful that you can drive it anywhere, on any occasion, with pride and confidence.  
 It performs magnificently—and is the lowest-price car with General Motors Hydra-Matic Drive.\*  
 It rides and handles so well that the longest journey is a distinct pleasure.

It has a record for dependability that is unsurpassed in the entire industry. And it is amazingly economical, both to own and to operate. In fact, if you can afford any new car, you can afford a Pontiac.  
 Truly—from luxury to economy—there is not a single thing lacking in a Pontiac. And this is always true of Pontiac, year after year. So, regardless of when you expect to get your next car, make it a Pontiac—and be completely satisfied!
