

Senior Class Regrets Error In Annual

The members of the editorial staff of the Sylva high school annual are very sorry that, through an unavoidable error, the adv. which was bought in the annual by Stovall's Five and Ten Cent Store failed to be printed. The Senior class appreciates very much the splendid support and cooperation of Mr. Stovall with our school and we deeply regret that this mistake was made.

Vets Problems

Q—I have a discharge from the draft of World War I. May I consider myself a veteran?

A—For the purposes of laws administered by Veterans Administration in order to be classified as a veteran, you must have had active military service during a time of war. A discharge drafted is not considered to have had such service.

Q—I received a pension as a Spanish-American War veteran's widow. I remarried and my second husband is now dead. Am I eligible for a pension again as a widow of the Spanish-American War veteran?

A—Yes, if you meet the other requirements of the law and regulations.

Q—May I receive death benefits for my husband and my son?

A—Yes, if both were veterans and you are otherwise eligible.

Q—What proof is required to obtain death compensation or pension for an illegitimate child?

A—Acknowledgement in writing, signed by the veteran, or evidence showing he has been judicially ordered or decreed to contribute to the child's support or has been, prior to his death, judicially decreed to be the father of such child, or evidence satisfactory to the Administration of Veterans Affairs that the veteran is the father

STATE COLLEGE HINTS TO FARM HOMEMAKER

(By Ruth Current)

State Home Demonstration Agent Some of the "picking up" jobs around the house are difficult, even dangerous if done by hand. Because burns and cuts are some of the most frequent home accidents suffered by women, more care should be taken with hot and sharp articles. For safer and easier pick-ups, home management specialists suggest:

Tongs to pick up hot articles at the stove, outdoor fireplace or sink. Use tongs to lift jars from hot water in canning, large vegetables from cooking water, baked potatoes from the oven, hot grates or lids from the fire, silverware from hot rinse water.

Magnet to pick up pins and needles in home dressmaking.

Damp cotton to pick up fine particles of broken glass.

A "slide-along" clothespin bag made of heavy material and sewed on a coathanger will help to avoid stooping for clothespins. Hang the bag of clothespins on the line, slide it along as the clothes are on the line, and one of washday's minor irritations will be over.

The substitution of a wet dishcloth for a holder is very undesirable when one is canning; the heat from a hot jar will steam through a wet cloth instantly and may cause serious burns. Instead use a dry cloth or pot holder.

When in trouble, instead of looking for some one to help you, do something for others.

An inexpensive beauty aid—a smile.

of such child.

Q—Is it necessary that a child in custody of the widow, file separate claim for compensation? A—No.
