DARRINGTON, W. NEWS

By G. W. Clayton
We are still having rain and more rain. It just won't come spring. We are not working as the boom strike isn't settled yet. But we can still get our rocking chair money as we are not on strike. We got a dollar more and didn't strike. If we could only get to work, but most of the camps and mills in the state are shut down.

Mrs. Bedford Blanton has come from Georgia to be with her husband. She is another good singer. Our meeting surely helped our church and Sunday School. Today we had 131 in Sunday school and about 200 at church. We have the best preacher we have ever had and we are proud of him and Mrs. Breedlove. His son, Ralph, is also

Friends of Glenn Barnes will be sorry to learn that he is a patient in the Argel clinic, Franklin.

Vets Problems

Q—How many persons in the United States are eligible for Veterans Administration benefits?

A—It is estimated that more than 46,000,000 persons (living veterans and their dependents) may become eligible for VA benefits under present laws. By 1962, the figure is expected to rise to 62,300,000.

Q—What is vocational advisement and why is it required under

the Vocational Rehabilitation Act? A—The main purpose of vocational advisement is to determine whether a disabled veteran should train for a profession or for a particular trade or occupation based on his previous education, experience, personal desires and ability. He is required to take a series of aptitude tests at a VA guidance center where he is interviewed and counseled by a group of highly trained specialists. This advisement is required under the program to insure the disabled veteran's proper rehabilitation.

Q—I am the beneficiary of a \$10,000 National Service Life Insurance policy. Are the payments I am receiving subject to taxation?

A—No. The payments of National Service Life Insurance as such are wholly exempt from Federal taxation.

Q—I am going to school under the educational provisions of the G-I Bill and would like to know whether I have to get prior approval from VA if I wish to change my course? A—If you are studying in a public high school or college, you no longer will need prior approval from VA before changing your course. The change now may be approved by your school.

The North Carolina flue-cured tobacco crop this year will be about 586,000 acres, according to present estimates.

Mr. Breedlove's daughter and her husband have gone to Jackson county and will visit around Sylva and Glenville. When they return they will bring Ralph Breedlove's family back with them, as he expects to make his home here.

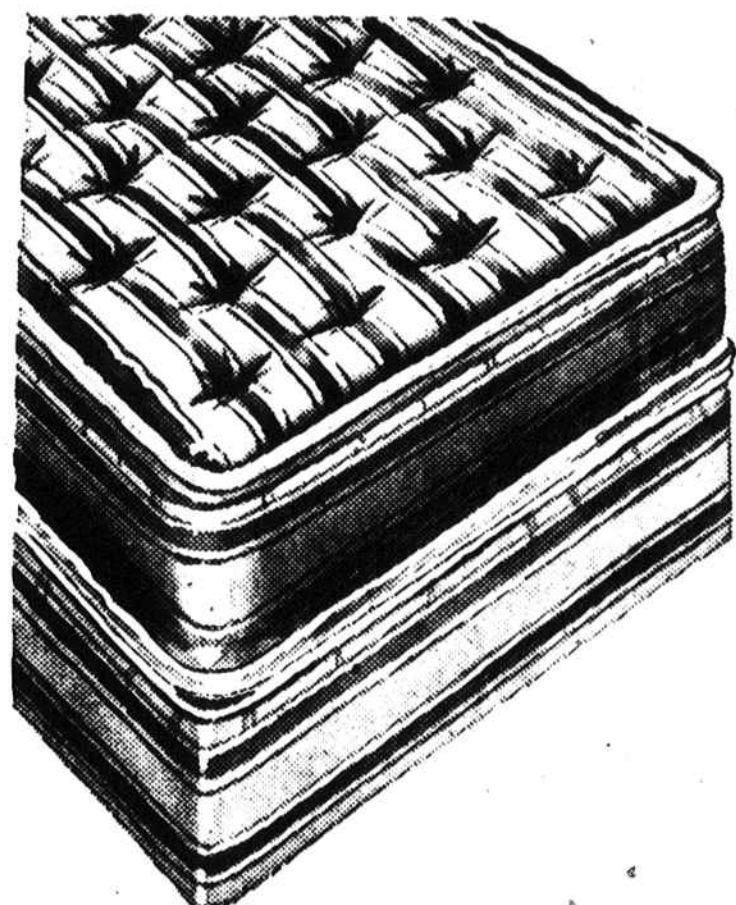

Well folks, your old friend, Mr. Ward Woodard, our postmaster left here May 8th for a trip down south. He expects to be in Sylva and see some of you. I told him to be sure and visit the Herald office. So look out for him anytime: Uncle Mark Reece is still getting along fine. Bill Cristford's son, Andrew, was taken to the Everett hospital May 9 and operated on for appendicitis.
