It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.  
 You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling, sometimes frequent and scanty urination with smarting and burning in another sign that something is wrong with the kidneys or bladder.  
 There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.
