Vote For W. KERR Scott For GOVERNOR

THE PEOPLE'S CANDIDATE IN THE RUN-OFF PRIMARY ON SATURDAY, JUNE 26

KERR SCOTT'S Religion. When Kerr Scott mounts the pulpit to preach in a country church, he is perfectly at home. SCOTT grew up in a country church of the Presbyterian faith and no factor in his life out-weighs his allegiance to the church and everything for which it stands.

SCOTT has outlined a sound, sensible, progressive program on school, taxes, bond issues, roads, health, paroles, welfare, business, labor, veterans, agriculture, natural resources and other things, which any North Carolinians can go along with.

KERR SCOTT'S WAR RECORD—He volunteered for service in World War I, in June 1918. He was accepted for active duty on September 7, and was assigned to Camp Zachary Taylor, Kentucky, as private, Field Artillery. He remained in training at Camp Taylor until the end of the war, and received his honorable discharge on November 30, 1918.

SCOTT BACKS WILDLIFE—"My interest in Wildlife resources dates back to my boyhood days on the farm. No boy ever loved to hunt more than I did, and still do. If nominated and elected Governor, not only will I support the program pomoted by the Wildlife Federation; but I shall also make every effort to strengthen and extend it to all Sections of the State."

Mark Your Ballot June 26 for Kerr Scott.
