SYLVA-BILTMORE SLATED AT MARK WATSON FIELD SAT.

The Sylva Legionaires will meet their first foe out of the Buncombe County league Saturday when they take on the highly rated Biltmore club at Mark Watson field at 4 P. M. The game is scheduled to begin at 4 because of the working schedule of the Biltmore players.

Sunday, the Legionaires will travel to Greenville, Tenn. for a return game with the Greenville club. It will be the first Sunday out of town since the beginning of the season.

Next Wednesday, it will be the Monte Mills club of the Industrial league who challenge the Sylva club. So far, Mark and Sylva have each won one game from the other.

LEGIONAIRES STILL LED BY LEE WITH .343

With everybody's averages still high off, Skipper George Lee continued to lead the Sylva Legionaires with a .343 average. Ben Dillard is the only other man in the race over .300. He averages .309.

SEERY TIES RECORD WITH FOUR HOMERS IN GAME

BECOMES FIFTH MAN TO ACHIEVE FEAT
Pat Seery, castabout major league outfielder now with the Chicago White Sox, became the fifth man to hit four home runs in one major league game last Sunday as the White Sox defeated the

and allowing 4 hits. Pressley and then Smith finished the game, but Canton's batters and Cullowhee errors combined to count 4 more hits and 5 runs.

Rhymer went all the way for Canton, a Fowen 8 hits and striking out 8.

Hubert Bryson was again the big gun for Cullowhee with 3 hits for 4 trips.

This game was at Canton. The chance for revenge will come at Cullowhee when the teams meet again next Saturday at 3 P. M.

MURPHY MAKES IT 5 OF 6 FROM LEGIONAIRES WITH TWIN KILLING

Tom Pitman Hurls 5-0 Shutout; Cunningham Wins 14-3
Murphy's independents made it 5 out of 6 from the Sylva Legionaires with a double victory over the week-end winning 14-3 in Murphy Saturday night and 3-0 in Sylva Sunday.

The Legionaires couldn't handle themselves under the lamp Saturday night as Jim Cunningham spaced 3 Sylva hits for a 14-3 win for Murphy. Murphy scored nine runs with two outs in the second inning on Clyde Rector and George Lee, both lefties. Bob Phillips, Sylva fireball relief pitcher, came in in the third and put out the fire holding Murphy to 7 hits in the remaining 6 innings.

Dugger Cole led Murphy with 2 for 3 while Rector, Beam and Lee had 2 for 4 for Sylva. Beam blasted one of Cunningham's pitches out of the lights for a two-run homer in the eighth.

Sunday, Tom Pitman lowered the boom on Sylva, holding them to five hits and winning 3-0. Three of Sylva's five hits were off the bat of Bill Farrior.

Long John Beam started on the hill for Sylva but gave way to Rush Sumner in the 7th. Beam was charged with the loss.

Murphy gathered 11 hits, most of them scattered.

Sylva was without a catcher for Sunday because Lard Cunningham and Tilly Baker both suffered bruised hands in Murphy Saturday night. Jack Smith was called over from Hazelwood and handled the receiving chores.

SPORTS BRIEFS

IN DETAIL
By BOBBY TERRELL

ZALE SIGNS FOR BOUT WITH CERDAN

Things are going to pop again in the boxing world. This we say because only last week Tony Zale, the middleweight champ of the world, put his Joan Henry on the dotted line along with M. reel Cerdan. For pen, middleweight titleholder, for a world's championship fight. For a long time Cerdan has been waiting for this chance and now that he has it, we think he'll make the most of it. In fact, we think he'll go as far as to say that he'll be the next middleweight champ of the world. Cerdan is known to be one of the most deadly sluggers alive. He whipped Georgia Abrams two times straight and Abrams is the man who wrapped Rocky Graziano three times out of five and Graziano is the man who has for so long been in Mr. Zale's hair.

Like the Brown Bomber and Jersey Joe, both of these men have been around for a long time. Zale is smart, deadly, a true champion. Cerdan is dynamic, crafty, a true challenger. When one mixes fire with fire he gets more fire. That's what will happen when these two boxers meet some time this fall. Here's something for the books —out of his first 100 fights, Cerdan knocked out something like 99

men. That's leather throwing.

Still discussing the boxing world, we're wondering when Mr. Sol Strauss of the 20th Century Sporting club is going to throw open the doors to the heavyweight throne. There's a lot of boxers gunning for the title left vacant by Destroyer Joe Louis but only a few that will really be in the race. It's hard to pick a winner at this stage of the game but we're going to take a shot and say that when it comes to a boxing point it will be Gus Looney who knocks Jersey Joe's pants off for the crown.

To all you young men who would like to break into professional baseball here's your chance. The St. Louis Cardinals tryout camp will be held in Johnson City, Tennessee next Monday and Tuesday. Why don't you pack up your glove and spikes and take a bus. The Cardinal organization turns more young players into organized ball than any other big league club. This may be your chance.

For once we're off the umps! There's no complaint about the little men in blue who called the two Murphy games this week-end. The only excuse that the Sylva Legionaires could have for not winning these games would be that

Philadelphia Athletics 12-11 in 11 innings.

By means of his fourth homer he broke the 11-11 tie to give Chicago the victory and also joined four other baseball immortals who turned this feat. The New York Yankees' great first baseman, Larruping Lou Gehrig, belted four homers out of the park on July 3, 1932 against Connie Mack's Athletics. He is the only other American leaguer to turn the trick. Ed Delahanty, Bobby Lowe and Chuck Klein did it in the National.

Three of Seerey's circuit blows came in successive innings—the fourth, fifth and sixth. His first two were off righthander Carl Schatz. The third came off righthander Bob Savage and the last, the game winning blow, came off southpaw Lou Brissie.

For a long time Seerey has been known to be a great slugger and at this point he proved when he smashed the four homers.

CARDINALS TO HAVE TRY-OUT CAMP AT JOHNSON CITY, TENN.

Johnson City, Tenn., July 19—The world famous St. Louis Cardinals, parent club of the Johnson City Cardinals, will open a try-out camp for young ball players at Keystone Field, Johnson City, Monday and Tuesday, July 26 and 27.

The Cardinal Organization, which has placed more young players in the major leagues than any other baseball system, will conduct over 75 of these camps this summer. They are open free to any players who feel they have what it takes to become professional baseball players.

The program will be under the supervision of Geore Ferrell, former minor league player and manager. He will be assisted by Specks Garbee, manager of the Johnson City club.

Camp activities will include drills in throwing, running, fielding and hitting. Pitchers will have an opportunity to test their fast balls and curves in regular games between teams made up of players in attendance.

Players should bring their own gloves and baseball shoes. Those who have uniforms are asked to wear them, as the Cardinals do not supply this type equipment for their trial camps. All expenses incurred in attending the camp will be refunded any players signing contracts to any club in the vast Cardinal Organization.

they didn't hit the ball. You can't win a game on 8 hits when the other side is getting 12 and you can't win a game on 6 hits when the other side is getting 11. Pardon us, you can, but you seldom do.

If the Legionaires would take the time to go down to the field and hit a few each day, maybe they would get back on the winning track. Right now they're running a 3 game losing streak, after winning 8 out of 9 games. Also if they had a little better backing maybe they would show up better.

Here's what you get when
you get a Universal Jeep.

YOU GET YEAR 'ROUND UTILITY. The Universal "Jeep" works right through the four seasons of the year, giving you the field performance of a light tractor plus the highway performance of a light truck. Its usefulness is not confined to any particular season or to any specific kind of work—the "Jeep" is equally at home whether pulling a plow or handling a tough off-the-road towing or hauling job.
