

PROGRESS BEING MADE ON CLUB HOUSE FOR LEGION QUARTERS

William E. Dillard Post Has Reached 100 Membership To Place It Ninth In State

According to a report in the September edition of North Carolina Legion News the William E. Dillard Post No. 104, American Legion, of Jackson county was in 9th place for 1948 membership. Since this edition was published another report of names for membership for this post has been sent in. The Post now has 100 paid memberships for 1949.

With the work moving on the annex to the Club house, on which the Legion has a 20-year lease, it is hoped that the building will be finished and ready for dedication by November 11.

The new addition will have two rest rooms, one assembly room, and a service officer's quarters. It will be equipped with a hot air heating system, which will be installed right away and the kitchen will be worked over. A new roof and other improvements are also being made to the building.

One of our go-getters wrote 55 new and renewal memberships last year and has gone on to beat that record this year, having already written 85 memberships. Let's all get on our toes and make this a real year of outstanding work and service for our veterans. Just mail your card right back, if it's a renewal. If a new membership give us the proper information along with your card.

The following members have been elected to attend the National Convention to be held in Miami, Fla., in October: Rev. W. Q. Grigg, L. H. Higdon, D. M. Tal- lent, George Sloan, and Felix Picklesimer.

Except for the 1944 crop, Irish potatoes have been in heavy supply every year since the price support program became effective.

Potatoes are now off the ration list in Britain.

BUSINESS MEETING TO BE HELD IN THIS BUILDING

Most of the business meetings of the North Carolina Association of Chambers of Commerce Executives, meeting in annual session in Sylva, Sept. 12, 13, and 14, will be held in the Ritz Theatre shown above. Convention headquarters is located on Main street, opposite Carolina hotel.

The Ritz is one of the most mod- ern theatres in Western North Carolina. It was built in 1941 by the present owner, J. E. Massie of Waynesville, who also operates theatres in Waynesville and Bry-

son City. It has a seating capacity of 715, and contains a nursery, comfortable parlors and other facilities for the pleasure and comfort of its patrons.

John McLain Class Elects Officers

The members of the John McLain Bible Class of the Sylva Methodist church elected officers for the coming year at their regular class meeting Sunday morning. The officers are: President Dr. W. P. McGuire; vice-president H. J. Landis; secretary, Frank Fricks; assistant secretary, Felix Picklesimer; treasurer, T. F. Dil-

"NEW FEATURES"

Dodge has had for *years!*

There's a lot of talk today about this new feature or that. But down-to-earth engineering advances are a matter of record. And this record shows that many of today's so-called "new car features" have been part and parcel of Dodge over the years.

From the earliest Dodge Safety Steel Body to today's Dodge All-Fluid Drive, Dodge owners have enjoyed a succession of engineering "firsts". These features have made Dodge famous for comfort, economy and dependability.

You are cordially invited to come in... to check... to compare the scores of "new car features" that Dodge has had for years.
