WHY RETONGA IS STANDBY FOR THOUSANDS

Men And Women Keep Famous Gastric Tonic On Hand At All Times

In thousands of homes you will always find Retonga in the medicine chest. Men and women have found out for themselves how much this famous medicine has helped them.

They know that the miseries of sour stomach, bloating and acid indigestion can be promptly relieved by Retonga. They know that when their appetite is gone that Retonga makes them want to eat.

They also know that when they suffer distress from borderline Vitamin B-1 deficiency—feel tired, weakened, run-down; and muscular aches and pains plague them—that Retonga also contains Vitamin B-1 to help relieve suffering from that deficiency.

Retonga is compounded of carefully blended extracts from many of nature's medicinal roots, herbs, and barks. It is intended to relieve distress due to the loss of appetite, insufficient flow of vital digestive juices in the stomach, constipation, and borderline Vitamin B-1 deficiency.

If the first bottle of Retonga fails to bring you gratifying relief, its small purchase price will be cheerfully refunded. You alone are the judge. You can get Retonga at Sylva Pharmacy.—Adv.
