TVA Phosphate Allotment Must Be Made Before Last Of Month

The extent of the Test Demonstration activities on an over all County basis will be curtailed considerably due to a very limited amount of phosphate that Jackson County will get in comparison with the allotments in previous years. Some farmers who have been receiving these materials in the past may be wondering why they have not received notification to sign their requisitions. The Beta, East Fork, and Speedwell Area demonstrations were taken off the program due to lack of phosphate to carry on with; the

farmers in these areas had been receiving materials larger than farmers of other areas in the County. The four remaining area demonstrations are Crooked Creek, Qualla, Pine Creek, and River. There are seven active long time Unit farms on Triple Super material with seventeen long time Unit farms on Fused Tri-Calcium material. Any farmer who lives within the four remaining areas who has not signed a requisition for his material may do so by dropping by the County Agent's office within the next few days. The requisitions must be in soon so that this material may be ordered out from the factory.

Waiting until the last moment to order materials sometimes runs into such obstacles as shortage of rail cars thereby delaying shipments, therefore, let's be prompt on placing our requisitions thereby assuring prompt delivery.

Secretary of Agriculture Brannan has announced that marketing quotas will not be proclaimed for the 1949 cotton crop.

Cats Take ETST For Homecoming Win

ROLL TO 32-12 VICTORY IN EXCITING GAME BEFORE WELL PLEASED ALUMNI

Fullback Paul Rogers Scores Twice For Cats

By Bobby Terrell (Herald Sports Editor)

A homecoming crowd of 3,500 saw Coach Tom Young's Western Carolina Catamounts explode in fury to overwhelm a fighting East Tennessee State eleven 32-12 in WCTC's new Memorial Stadium at Cullowhee Saturday night.

Tennessee drew first blood within four minutes after the opening kickoff. Quarterback Jack Vest, a brilliant passer, tossed a long aerial to halfback Paul Musselman that was good for 41 yards and a 6-0 lead after Musselman missed the kick for extra point.

The Catamounts struck back before the quarter ended when fullback Paul Rogers drove over from the four to top off an 85 yard drive. Frank Hardin failed to kick the potential tie-breaking extra point.

Rogers put the Cats out front early in the second quarter when he scored his second TD from the one yard line following a 29 yard drive. Hardin also failed to convert this time. A minute later on the second play following the Catamount TD, Mace Brown, big Catamount end, hauled in a Tennessee pass on the 20 and romped into the end zone standing up to give the Cats an 18-6 lead at halftime.

A 15 yard pass from Vest to Musselman who ran the ball another 45 yards brought the Buccaneers up to a six point deficit early in the third period. Musselman shook off three Catamounts on his touchdown run.

In the final stanza, the Cats sewed it up for sure with touchdowns

by Al Caperila and Jay Hooper. Both scored on short plunges following long drives. Hardin boot-ed both points for a 32-12 lead which stood until the end.

Outstanding men in the Cata-

mount line were Mace Brown at end, Buffalo Humphries and Dan Robinson at tackles, Art Byrd and Carl Fennell at guards and Hugh Constance at center.

In the backfield, Pee Wee Hamilton played a bang-up game although he did not figure in the score.

The lineup:

WCTC	Pos.	E. TENN.	WCTC	6	12	0	14	32
Brown	LE	James	East Tenn.	6	0	6	0	12
Humphries	LT	Wilson	WCTC's TD's—	Rogers 2,	Brown,			

LG	Caperila	Hooper	Points After:
C	Southerland	Hardin 2	
RG	Bailey	E. Tenn.'s TD's—	Musselman 2,
RT	Jennings	WCTC Subs—	Tate, Everhart,

Women Responding To Army's First Call For WAC And WAF

The response to the Regular Army's first recruiting program for the Women's Army Corps and Women's Air Force has been larger than anticipated, according to Sgt. 1st Cl D. R. Calhoun, local Recruiting Sergeant.

Applications for the Women's Air Force are being taken now at all U. S. Army and U. S. Air Force Recruiting Stations, with actual enlistments beginning September 27.

The WAC-WAF Recruiting Program will be small and highly selective, with a maximum of 7000 for the Army and 4500 for the Air Force being accepted over a two-year period, the Sergeant explained, and enlistment is open to women both with and without prior service, for periods of 2, 3, 4, 5, and 6 years.

Age requirements for applicants without prior service are between the ages of 18 and 35. Former members of the WAC, over 35 may enlist provided their present age does not exceed 35 plus the length of prior service.

Applicants must be citizens of the United States, of high moral character and meet the physical requirements. A High School diploma is required for enlistment in the Women's Air Force, and a High School education or its equivalent for the Women's Army Corps.

WAC and WAF recruiters are now on duty at all Main Recruiting Stations, and information may be obtained at any Army-Air Force Recruiting Station. The Local Recruiting Sergeant will be located at the Post Office every Monday and Wednesday morning.

From 1938 to 1947, United States cotton exports averaged two and a half million bales annually.
