Sylva Splits Pair With Murphy

A vastly improved pair of Sylva High basketball teams split a double-header with the Bulldogs of Murphy last Friday night with the girls winning while the boys dropped a 32-28 sizzler.

The boys' team was out for an "upset" over the favored Murphy 5 and came within a hair's breath of doing it in a fast-breaking, "wild-and-wooly" contest.

Throughout the first half the Hurricane fought Ike Olsen's team to a standstill, the lead changing hands several times and finally locking at 16-16 as the half-time horn sounded.

A 4-point spurt with 4 minutes left to play in the final period was the deciding factor. Hall and Livingood broke the deadlock at that point with two quick baskets. Sylva came back to move within one point with a desperate rally that had the crowd screaming. But then after taking time - out to their forces, Murphy put the baby to bed as Lovingood put a lay-in through the hoop with only 5 seconds to play.

Hall of Murphy was high scorer with 12 points to his credit. Wesley Warren of Sylva had a total of 8 for second honors.

The girls game was not as close as the score indicates. The Sylva lassies piled up a 28-8 lead at half-time as the result of Bryson's long-shots, and then with reserves finishing out most of the 2nd half, the Hall girls of Murphy, Louise and Lucille were able to pull the

score up within a respectable margin

Louise Hall was high scorer with 16 points Bryson of Sylva took second with 15 points and Hall of Murphy and West of Sylva scored 8 and 6 points each.

Cullowhee Wins Cherokee Victims

The Cullowhee boys continued on the victory trail last Thursday night with a 42-20 win over Cherokee at Cullowhee while their partners on the girl's team dropped their end of the double-header, 40-35.

H. Wike continued to lead the Cullowhee lads in scoring, burning 13 points thru the hoops. Thompson led the Cherokee girls' attempts with 26 points. Tibert of Cullowhee was second-high.

NINE TILTS FEATURE COUNTY BASKETBALL

Sylva Faces Roughest Time Facing Two Powerhouses

The week's basketball scheduled is jam-packed with hot games for Jackson county hardwoods. No less than 9 good clashes will be on tap for sports fans to choose between.

Webster will be playing at Cullowhee tonight (Thursday) and will journey to Cherokee next Tuesday night to have a go at the Indian team. The Webster girls continue to show a high-scoring ability and will have the chance to prove themselves against the Cherokee and especially Cullowhee girls.

Sylva High's Hurricanes play host to Nantahala tomorrow night at the high school. Nantahala is "loaded," having dumped Ike Olsen's highly regarded Murphy Wildcats two weeks past. Both the

THIS WEEK'S SCHEDULES

Nantahala boys and girls were victorious in the twin bill which seems to spell a rough night for the Sylva teams.

And if Nantahala wasn't enough, Waynesville's powerful Mountaineers come into town next Tuesday night for two games. Usually able to defeat Waynesville in basketball during the past few years, the Hurricane ran into disaster in the Haywood town several weeks back dropping two games by "riot" scores. The Sylva girls have improved since that bleak night, but will still have to face "Skyscraping" Betty Shehan of the Waynesville girls who has a habit of pulverizing the opposition. The Waynesville boys won easily over the Sylva lads the last time out and will be favored to repeat, unless some drastic changes are made in the Hurricane brand of basketball.

Cullowhee High meets Webster on the home courts tonight (Thursday) and then tangles with Bryson City again on the home hardwood on Tuesday night. Comparative scores favor the Cullowhee boys by a vast margin and the Cullowhee girls by a "squeeze".

The Catamounts of Western Carolina meet High Point on the W.C.T.C. floor in what shapes up to be pair of thrillers on Friday and Saturday nights.

VELT'S BEATS V.F.W. OF CANTON BY 35-33

Velt's basketball team, last year's City League Champions, defeated the Canton V.F.W. five last Thursday night in Canton 35-33.

The contest was nip-and-tuck all the way with neither team ever being able to build up more than a 3 point lead.

Charlie Carol of Canton was high scorer with 13 point. Bernard Burress led the Velt's attack with 10 points.

HURRICANES TAKE 2 FROM SWAIN HIGH

Continuing their improvement campaign, the Sylva Hurricanes took a double-header from Bryson City on the home court Tuesday night.

The girls found the Swain lassies a easy touch and whipped them 25 to 12. The boys had little more trouble with the Bryson City male five and came out on top 31-24.

Worley emerged as high scorer with 15 points and Bryson followed with 10. Calhoun of Bryson City headed the boys scoring with 10 points while Cagle and Cabe of Sylva scored 7 points each. Dorsey Moon slipped 6 points through the hoops.

1893.

MACON CITIZENS WILL REVOTE SCH'OL BONDS

Following New York bond attorney's "final and definite" refusal to approve the \$400,000 school bond for Macon county, Franklin officials began preparation for another election—this time for \$514,000—to be held sometime in the near future.

The decision to call a new election was reached at a joint meeting of the county boards of commissioners and education Tuesday morning, and the first formal steps toward calling the election were taken at that time.

In 1945 it was only possible to

Mountain Music Program At Glenville On Friday

A special mountain-music show will bring Bill Carlisle, Hot Shot Elmer, Fairley Holden, Wayne Tilford and Banjo Sandy to the Glenville High School Friday night, January 13 under the sponsorship of the Cashiers Methodist

Church. An added attraction will be Carl Story and the Rambling Mountaineers with Kentucky Slim who will give his famous pork chop Dance. Admission will be 30 and 60 cents.

Under a revised program, a new high school building is proposed at Franklin.

Mr. and Mrs. Woodrow Middleton, Sylva, announce the birth of a son, Erny Nathan, on January 6th.

Born to Mr. and Mrs. Harold Saunders, East LaPorte, a daughter on January 10.

Africa's flue-cured tobacco growing countries have about trebled their production of leaf and plan a further large increase within the next five years. Consumption of tobacco products in this area and in Egypt, which grows no leaf, is also increasing rapidly but most of the increased production is available for export to areas outside Africa.

RELIEF AT LAST For Your COUGH

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

This Sleek 4-Door 6-Passenger Tourback Sedan heads a line-up of six smart SUPERS, all powered with the surging new F-263 straight-eight engine, very latest word in valve-in-head lift and life.

"FASHIONED for every taste— Priced for every BUDGET"

Look over the 1950 Buick line, which these two high-fashioned honeys represent, and decide for yourself if that's truth or just talk.

Nineteen—Yes, 19—smart new and varied models to choose from, and all with the eye-catching styling of bold-lined bumper-guard grilles, sleek tapering fenders, the over-all look of a jet plane in flight.

Three full series—SPECIAL, SUPER and ROADMASTER—with SPECIAL models available in both standard or de luxe finish.

Three separate power plants—in five horsepower ratings—all more powerful, higher in compression, all Fireball valve-in-heads—and one of them, the sensational new F-263, giving SUPER models extra brilliance on the road.

Four wheelbases—all planned for riding comfort—with overhang reduced to make parking and garaging easier. Roominess galore, with rear seats as much as 13 inches wider.

Plenty of outlook as well. And the abiding comfort of coil springs on all four wheels. And the steady going of

torque-tube drive—plus Safety-Ride rims for comfort plus control.

Then look at prices—do they really fit any budget?

They range from the fine-car level of the ROADMASTER down to just above-the-lowest figures on the SPECIAL. But even these are so little above anything else—buy you so many more years of happy use—and give you a car of such consistently-better trade-in value—that you'll find Buick reachable by buyers in any price range.

So why not get the whole story, price and all, from your Buick dealer now? Deliveries are good, the "deal" is right, and a signed-up order steps you up to that Buick you've always dreamed about!

Here's the Smart SPECIAL 3-Passenger Coupe, one of seven smart models. Dynaflow Drive optional. Horsepower—115 with Synchro-Mesh transmission, 122 with Dynaflow.
