Word reached here this morning that at 10 o'clock it was snowing hard at Dunn.

### Cash for 25 Shares.

A wealthy northern person and a friend of Fayetteville has subscribed for 25 shares of stock in the Fayetteville co-operative cotton factory. The said person has paid the full value \$1250, in cash.

### Tom Kenan Passed.

Mr. W. E. Christian writes from Washington to the News and Observer, that among those appointed yesterday as cadets at the Naval Academy was Mr. T. S. Kenan, of Kenansville. Fayetteville claims Tom Kenan, and is proud to have such a handsome and intelligent son represent her in the Navy. It is a great credit to any boy to be able to pass the very rigid examination required. Success to the Third District new Representative.

### The Meeting at the Armory.

Notwithstanding Dr. Guerrant's departure there was a large crowd in the Armory last night—probably four hundred. Dr. Nash preached a fine sermon, and at its conclusion fourteen persons stood up to be prayed for. His sermon was on the general subject of repentance and was listened to with great interest.

To-night the last service of the meeting will be held. Rev. A. J. McKelway will preach the sermon.

### The Scarlatina.

No new cases of scarlatina have been reported to the health officer to-day. The cases we reported yesterday are all doing well and likely to cause no further trouble.

The period of incubation is ten days and the period of "immunity" is three weeks.

Instead of Mrs. John R. McNeill's, on Haymount, as reported yesterday as one of the infected houses, it should have been Mr. John D. McNeill's, of Haymount. Mr. McNeill is a conductor on the A. C. L.

The physicians say that the cold weather may kill all floating germs.

"Yellow Fever" placards have been placed on all the houses mentioned yesterday.

### Enlargement of the Observer's Quarters.

We have been engaged for several days in removing the press and other fixtures to the first floor of the OBSERVER building, where a platform disconnected with the flooring and supported from the bottom of the cellar below, has been constructed for its reception. This work was ordered a month ago to meet the enlarged needs of the Daily, and we have suffered much loss and inconvenience in consequence of the delay, missing mails, etc. The change adds to our present quarters a business office on the first floor (as well as the press room referred to) with connecting stairway to the composing room. All will be in proper condition, we hope, in a day or two when out-of-town subscribers will get their Dailies regularly on time.

### Is Charlie Frazell Crazy?

A young Mr. Haywood from over the River was in town this morning and reported to the county physician the following: A man rode up to Mr. Jas. McDaniel's house, which is near Judson Church, last night, and asked for shelter. Mr. McDaniel took him in his house and gave him a bed. He said that his name was Charles Frazell, and that he was from Manchester. It was very evident that the man was out of his mind, and Mr. McDaniel was in a dilemma. After going to bed the man became very violent, calling loudly for something with which to kill himself.

It was all that the family could do to keep him from committing suicide. From the way he talked it is thought that he is suffering from great religious excitement. Mr. Haywood came in to see what could be done about the unfortunate man and to find out who he is.

Mr. Charles Frazell ran the commissary at Mr. John Elliott's place near Manchester, and was recently in this city and purchased a black horse, blind in one eye.

The horse ridden by the man who is at Mr. McDaniel's, is a black horse and blind in one eye. It must be the same man.

### People and their Movements.

Mr. John Clark, of Manchester, was in the city this morning.

We are glad to see Mr. Ed. Jackson well again. He has been sick with the grippe for several weeks.

Capt. S. J. Cobb, of Lumber Bridge, is in the city to-day.

Mr. J. M. Richardson, of Southern Pines, is in the city prospecting. He is being shown around by Mr. Newton Smith.

Miss Elinor DeWitt Cochran and her friend Miss Potts and Mr. Alex. Cochran, all of New York, are at Myrtle Hill for a week or so.

When your stomach is out of order and your skin is yellow, indicating a disordered liver, take Johnson's Kidney and Liver Regulator, the greatest of all family medicines. 25 and 50 cts. For sale by King Bros., Fayetteville, N. C.

"Success is the reward of merit" not of assumption. Popular appreciation is what tells in the long run. For fifty years people have been using Ayer's Sarsaparilla, and to-day it is the blood-purifier most in favor with the public. Ayer's Sarsaparilla cures.

The base of Ayer's Hair Vigor is a refined and delicate fluid, which does not soil or become rancid by exposure to the air, and which is as perfect a substitute for the oil supplied by nature in youth and health, as modern chemistry can produce.

Johnson's Magnetic Oil is the greatest internal remedy for cramps, colic and all internal aches and pains for man or beast. Large bottles, 25 and 50 cts. For sale by King Bros., Fayetteville, N. C.

### Results Tell the Story.

A vast mass of direct, unimpeachable testimony proves beyond any possibility of doubt that Hood's Sarsaparilla actually does perfectly and permanently cure diseases caused by impure blood. Its record of cures is unequalled and these cures have often been accomplished after all other preparations had failed.

HOOD'S PILLS cure all liver ills, biliousness, jaundice, indigestion, sick headache.
