Memorial Day in Cumberland.

Through its President, Mrs. W. Doug. Smith, we are requested to announce the Memorial exercises of the "Chicora Memorial Association," on Saturday, May 9th, at Chicora Cemetery, near Mr. W. Doug. Smith's, in upper Cumberland. Hon. D. H. McLean, that gifted and fluent speaker, will deliver the oration, and a rare treat is in store for those who attend. This Association was organized under the auspices of the patriotic ladies of that neighborhood, to perpetuate the memory of the valiant confederates, who fell in the memorable battle of Aversboro. Within this Cemetery, lie the remains of fifty-five noble patriots, who were killed in that encounter. The enclosure, with a handsome iron fence and the erection of a shaft of native North Carolina stone, is a tender and fitting tribute to the brave boys who fell there. Everybody is cordially invited to participate in the exercises.

Deferred Until May 4th.

There was an unfounded and sensational rumor on the streets yesterday evening that Dr. Cyrus Thompson had been seated by the Elections Committee. Some one said that Neill Waddell, the colored Republican leader of this district had received a telegram from lawyer Dudley to that effect. Mr. Shaw received about the same time a telegram from Congressman Bailey one of the Democrats of the committee, stating that action had been deferred until the 4th of May. We understand that Mr. Johnston the chairman of the committee is quite sick. A telegram from Washington says:

"The House Committee on Elections No. 2 to-day decided to adjourn to May 4, when a vote will be taken on the cases of Mitchell vs. Walsh, from the Eighth New York district; Martin vs. Lockhart, Sixth North Carolina, and Thompson vs. Shaw, from the third North Carolina district."

Court Notes.

At the opening of court yesterday the question of the legality of the court was again brought up, and several of the leading lawyers, who said that they were absent from the meeting of the Bar, argued that it was not a legal court and that they would make exceptions to all the decisions.

At 11 o'clock Judge Green promptly declared it a legal court and the docket was commenced with.

Only one case was tried yesterday—that of H. L. Cook, assignee of A. McIver, against J. B. Smith, sheriff. The sheriff levied upon part of the stock of A. McIver under executions, seized the goods and sold them. The assignee claimed that it

was unlawful, and brought suit for damages. The jury allowed the plaintiff \$219.37.

Several cases were continued.

The case of McNeill & Hall against Jno. McDuffie and others, involving \$500 worth of lumber, has occupied the court to-day up to the hour of going to press.

Police News.

Mr. Neill Johnson was arrested at Hope Mills yesterday on a warrant charging him with assault on Millard Fort last Tuesday. He was recognized for his appearance for trial in this city next Thursday.

H. M. Morbray was arrested and lodged in jail on a charge of false pretense. The arrest was made on the complaint of Mrs. Walton, a boarding house keeper. She says that Morbray, a well dressed, gentlemanly appearing man, represented to her that he was a sewing machine agent and promised her a machine for the board bill and some cash. Saturday he told her that he had ordered the machine and borrowed a dollar. Yesterday, suspecting wrong, Mrs. Walton telegraphed to the Machine Company and received answer that the order for a machine had not been received. She therefore swore out a warrant for Morbray's arrest.

Another State Heard From.

The Democratic State central committee of Illinois met in Chicago yesterday. Silver carried the day. Where are those who a month ago were howling that the silver question was dead? Curious, the bluster of the gold-bugs.

The gold-bug Associated Press says:

The only crumb of comfort the gold men got was the apportionment of delegate representation on the Cleveland vote of 1892, which gives Cook county (Chicago) 362 delegates out of a total of 1,069. This is what the anti-silver men desired, and the 16 to 1 men acceded to their request, stating that the more delegates in the convention the better it would be for all the delegates of the silver men.
