

Thruston of Union Pacific Railroad fame, and a number of others of the same character.

"Many of them have long been regarded as corruptionists, as men who have helped to spread a moral leprosy over this country, and who use the Government as a convenience to make money for corporations.

FEARS A STANDING ARMY.

"There will come bond issues and all manner of Government jobs, and although we have no enemy on either side of us, an effort will be made to give this country a standing army, because plutocracy demands this.

"An effort will be made to advance the doctrine that local self-government does not go hand in hand with Federal supremacy, but that the President shall have the same power to use the army that the Czar of Russia has to use his army, and efforts will be made to perpetuate government by injunction, and destroy trial by jury because plutocracy demands these things.

"An effort will be made to still tighten the grip of the money power on the throats of the people, and to gradually convert this Republic into a plutocratic oligarchy. And it will devolve on the Democratic party to save free institutions.

"I believe that at the next general election the people will reverse the verdict of yesterday.

"The return of prosperity will not come as promised. No doubt there will be a spurt of activity built on false hopes, but the forces which have produced the present distress will go right on.

NO PERMANENT PROSPERITY.

"As the dear dollar must in the end destroy enterprise, no permanent relief can be expected of this Administration.

"Remember it was Jefferson who led the way in freeing us from British domination in 1776. It was again Jefferson who saved free institutions in 1800. It was Jackson who freed the people from the clutches of the corrupt money power in 1832.

"It was the great common people of America, and not the rich, who saved our institutions in 1861, and it will devolve on the great common people of this country to save free government in 1900.

JOHN P. ALGELD."

Man's View Of Marriage.
 "IS MARRIAGE A FAILURE?"

It is not uncommon for men to bewail the fact that marriage so seldom means a real companionship—that man and wife are separated by difference of taste, of mental outlook, of general interest in life. It is perhaps even more common to hear women blamed for what is called breach of contract in the marriage relation. If the wife be delicate, run-down, nervous and irritable, if her smile and her spirits have taken flight, it worries her husband as well as herself. Even worse symptoms may follow—the woman suffers from sleeplessness and fainting spells, her head is in a whirl, her back aches, and she has that awful crowding-down feeling in the abdomen. It depends on the woman whether she will permit these troubles to continue day by day leading to a life of misery.

Thousands have been cured by taking Dr. Pierce's Favorite Prescription, and why not you? A healthy woman is always interesting; she passes for a beauty because she is happy, and her good spirits are contagious. Good nature goes with health; irritability and peevishness with sickness.

Those who suffer from the derangements, disorders and diseases of the sex should remember that Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has, for over a quarter of a century, made the diseases of women a specialty. Send twenty-one (21) cents (in one-cent stamps) to him, at above address, for his great medical book of 1000 pages profusely illustrated with wood-cuts and colored plates.

It contains photographs, names and addresses of a vast number who have been cured.

You can correspond with them and learn how they cured themselves without having to consult a doctor.
