FROM CAMP SEVIER

Greenville, S. C., Co. A. 115 M. G. Bn. Dear Mountaineer, This bright Sunday morning I will write a few lines to the good old home paper. It has been very chilly here for the last week or so.

We boys are beginning to be reconciled since we were transferred out of dear old Co. H. We can't realize that there are any other companies that could half measure up to the standard of the one Co. H.

I heard that Col. Gardner was trying to get the First N.C. Infty. back again and we would be the happiest boys on earth if we could only be back as we once were.

We are on duty eight hours every day excepting Wednesday, Saturday and Sunday.

Wednesday is wash day, Saturday morning is inspection and Sunday is the day of rest if we can dodge details.

There are very few details for the boys on Sunday.

Well I can't think of any more at this time, I'll close, wishing much success to The Mountaineer-Courier and readers, Lee Roy Willis.

CUT THIS OUT—IT IS WORTH MONEY

DON'T MISS THIS. Cut out this slip, enclose with 5c to Foley & Co., writing your name and address clearly. You will receive in return a trial package containing Foley's Honey and Tar Compound for coughs, colds and croup; Foley Kidney Pills and Foley Cathartic Tablets. Haywood Drug Co.

FAMILY-GO-TO-CHURCH DAY A SUCCESS

Rev. A. V. Joyner's fourth year as pastor of the Baptist church began with a Family-go-to-Church Day which packed the auditorium and part of the Sunday school room. More than thirty entire families were present, including several who counted only the members in town. The sermon was a very practical one on Home Religion. A very effective feature of the service was a duet, "Will the Circle be Unbroken" by Misses Lucie Herren and Mildred Crawford. The entire service was pronounced very helpful and inspiring and the congregation confidently faces another good year.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one remedial agent that science has been able to cure in all the stages, and that is Catarrh. Hall's Catarrh Cure is the only one of its kind known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and enabling nature to do its work. The proprietors have no fear of its curative power, because they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: J. C. CLIPNEY & CO., Toledo, O. Sold by all druggists.
