JUNALUSKA INN BURNS

The New Junaluska Inn at Lake Junaluska Mysteriously Burned Yesterday Morning

Fire was discovered in the basement of the handsome new hotel, the Junaluska Inn, at Lake Junaluska yesterday morning shortly before 2 o'clock and in a short time the large three-story frame structure was in ashes, as there was no hose or fire fighting apparatus except hand extinguishers at hand to save the building. There is a night watchman, too. The hotel was occupied last year for the first time and some of the uncompleted portions were finished during the winter season. This season began auspiciously with large patronage last week and a number of conferences just ahead which would have filled it many times with desirable and well-paying guests. The Inn and furnishings cost considerably more than \$100,000 and was owned by a corporation, mostly stockholders of the Southern Assembly Co., but was a separate organization. Among the stockholders were Col. John R. Pepper, of Memphis, and the Iveys and Coles, of Charlotte, besides some Waynesville holders of stock. There was \$75,000 of insurance on the building and furnishings. Some of the furniture on the first floor was saved. The hotel will likely be rebuilt but too late for this season's uses.

Those who contemplate coming to Lake Junaluska this summer need not hesitate for there are a number of other hotels and boarding houses there to accommodate them besides many at Waynesville and in the surrounding country.

The Inn was a beautiful structure and its loss is a calamity, especially coming so soon after the Eagle's Nest fire.

A telegram from one of the largest stockholders says he is strongly in favor of immediately replacing the handsome building which is so necessary to the Southern Assembly.

Red Cross

Waynesville Chapter

It is greatly to be regretted that so few members attended the annual meeting of the Red Cross on Friday evening.

The reports read were full of inspiring interest and had you been there you would have been surprised and fully repaid for the effort made, by the feeling of gratification at the amount of work done in the year. Next paper will have full report. It was impossible to get every report for this issue so look for next week's paper. In the meantime all members are urged to be present at the rooms Monday, Wednesday and Friday afternoons. You will find shirts and pajamas ready for machine or for you to take home. Materials and patterns for infants' laetia have come and work along that line will be taken up. Will the cutters be present?

Eleven young men left on Saturday. The two Red Cross members present tried to make up for the absence of the others by every means at hand. Where were the bright young faces to wish these boys God-speed? Are you not sorry you were not there?

Important Notice

The first installment of the pledges given in connection with the recent Red Cross War Fund was due on July 1. Under the terms of the agreement one-fourth of the amount pledged was payable on that date.

All contributors are earnestly requested to call at the office of C. B. Atkinson, treasurer Red Cross, at the court house, and make payment promptly. It is practically impossible for the committee to call on the many contributors, and their co-operation in getting the money in the hands of the treasurer without delay will be greatly appreciated.

Respectfully,
JAS. E. GARRAWAY, Chm.,
Second Red Cross War Fund.

THE BIG LOTTERY

Second Drawing in Washington Fixes Order of Calling the 800,000 Young Men Just of Age

Washington, June 27.—The drawing of numbers to determine the order in which the youths of the class of 1918 will be called into military service was conducted here today with much the same ceremony which marked the same drawing of a year ago.

This time, however, it was a much smaller affair, and in view of the fact that the classification system more nearly determines the order of service than does the actual numerical order, it was not surrounded with such dramatic interest.

The drawing was held in the great conference room of the Senate office building, with Secretary Baker blindfolded, taking the first gelatine capsule with number enclosed, from the glass bowl. It was number 246. Number 1168 and 818 were the second and third respectively, and thus the drawing continued to the end.

The calling of the numbers as the capsules were opened, and the paper slips inside were read, went on monotonously until the thousandth capsule had been drawn. The first thousand filled one of the blackboards, and officials in charge called time while the board was being changed, and the workers rested.

Draft No. 1 came out in the 664th capsule. The drawing of the numbers took less than three hours.

The "master numbers" drawn apply to the numbers on the registration cards of the registrants. In the drawing of a year ago serial numbers were assigned, but this was deemed unnecessary in the present drawing because of the fewer registrants and of less importance attached to the order in which numbers were drawn.

Below we give the lottery numbers first, followed by the draft numbers of the local board. These men will be examined and passed on in the order in which this list is printed.

THERE ARE SO MANY CALLS

There are so many calls today
To give, to lend, to work, to pray,
That one has little time for play—
There are so many calls.

There are so many calls for men
That one must leave his cozy den
And try to do the work of ten,
There are so many calls.

There are so many calls for ships
To make the many ocean trips,
That Jack Tars often bite their lips,
There are so many calls.

There are so many calls to save;
The war game is so big and grave,
To those who lent and those who gave,
They heard the many calls.

There are so many slacker folks
We cannot reach and cannot coax,
Who think these calls are only jokes,
We must have many calls.

There are so many taking rest,
While some have done their level best,
That we must have an acid test
And make still other calls.

BRIGHTER DAYS HAVE DAWNED

(Hendersonville Hustler)
Brighter days have dawned upon the Waynesville Mountaineer-Courier. It has moved from an artificially lighted basement to the light of nature into a nice new home. The Canton Observer threatens to do likewise. Now their lights should shine brighter.

COURT IN SESSION

A two weeks' term of Haywood Superior court began Monday with Judge Garland S. Ferguson presiding. During the next few months Judge Ferguson will remain in this, his home district, until his term expires.

Assisting him were Clerk Jerry R. Leatherwood and Miss Sarah Hill Hannah, court stenographer. Solicitor Lyle Jones is present to prosecute cases in behalf of the state. Sheriff John Hipps is court officer and Thos. F. Edwards is officer of the grand jury.

Grand Jury

The following jurors were drawn as members of the grand jury: Geo. A. Brown, foreman; Ernest Justice, G. W. Green, W. A. Moore, W. C. Kirkpatrick, J. J. Kirkpatrick, Geo. H. Smathers, G. G. Parker, A. J. Jolly, R. Lee Noland, F. G. Rippetoe, R. Lee Duckett, Homer Rogers, Jack Turner, John Burgess, E. H. Walker, J. Mack White and C. B. McCracken.

For sufficient causes A. M. Newton, W. L. Chambers, T. M. Ferguson, E. Z. Rhodarmar, J. S. Jones, J. B. Low and H. M. Plott were excused from jury duty by Judge Ferguson.

The judge made a splendid charge to the grand jury and proceeded to call the criminal docket. A number of character witnesses showed good behavior on the part of many defendants and their cases were continued as were many others, while a number of others were not pressed.

Carl Howell plead guilty to carrying a concealed weapon and was fined \$25 and costs.

Willie Baird and Mary Smith, colored, of Asheville, were found guilty by a jury of retailing liquor in Canton and were required to pay costs and if found in the county ten days hence must serve six months in jail.

L. P. Reece and F. D. Rogers plead guilty to a charge of assault and each was fined \$5 and half the cost. Reece was fined \$5 in another assault case, besides cost.

Earl McCay and Herschell Hall plead guilty to the charge of house-breaking, were taxed costs and continued for 12 months to show good behavior. Same verdict as to McCay in another similar case.

Moody Holland was fined \$15 and costs while Jay Holland was taxed costs and required to give bond for appearance at next term for an assault. G. C. Clevenger was found not guilty.

Walter Sentelle for an assault plead guilty and was fined \$15 and costs. It is believed the criminal docket will be finished today and that the civil docket will be taken up.

ADOPTS CURFEW LAW

Huntington, L. L., July 5.—Huntington has adopted a curfew law, which says: "All females are prohibited from being on the streets or highways of the town of Huntington after 9 p. m. and before 5:30 a. m., accompanied by a soldier or sailor, unless such soldier or sailor be a member of her immediate family, or such soldier or sailor be known to the parents of such female and such parents have consented thereto."

Penalties of imprisonment or \$50 fine are provided for violation of the law.

FOURTH OF JULY PICNIC

The picnic given on July 4th to the boys of our flag at the Army Hospital was a great success. Chicken, ham, salad, good bread, biscuits, fruit, rich milk, topped off with ice cream and cake, made the boys feel how old Haywood loved her country. Nearly 400 were fed and with plenty of good things left made the organizers of this movement feel that God had blessed their efforts. Patriotic pieces were played by the band. Major Davis gave an all-inspiring talk to the men after which prayer was offered by Rev. Dr. Arnold.

Outside of the great donations of food, \$32.59 was given in cash. The expense incurred was \$37.93. The Navy League wishes to thank the Waynesville band for its patriotic services on July Fourth.

Mrs. T. C. BREEDING, Sec'y.

CHAUTAUQUA PROGRAM

Radcliffe Chautauqua System Will Give "Wake Up America" Program Here August 19-21

On August 19-20-21 the Radcliffe Chautauqua System, of Washington, D. C., will present its "Wake Up America" program in Waynesville, expecting to send the speakers and entertainers listed on the small folders which are being circulated over the town. This program is patriotic in every respect, and comes to us with the approval of the government officials at the head of the many departments at Washington. Mr. Radcliffe, who is at the head of this chautauqua system, is in close touch with the governmental pulse, and has built a program which is sent out in order to help destroy whatever pro-German feeling there may be still lurking in various parts of the country.

The program which has been booked for us is one which has appeared in quite a number of towns since the first of the year, and it has been of great value to these communities. Many of them have been in settlements where the pro-German elements exist, and this program has done a great deal of good in crushing it. We are, therefore, glad to welcome this program here because it will bring us some new facts in connection with the winning of the war, and will stimulate us to greater activity along all lines of patriotic endeavor.

Increase in Cheese Industry

The cheese industry of Western North Carolina will be 20 times greater in 1918 than in 1915, when the first three cheese factories were established.

In 1915 three cheese factories were established by the dairy field office of the Agricultural Extension Service, one being in Watauga county and two in Ashe county. During this calendar year 20,000 pounds of cheese was produced.

In 1916 three more factories were added to Watauga county, making a total of six factories in all, with an actual output of 73,300 pounds, which was more than three times the output of 1915.

In the year 1917 ten more factories were established, making a total of 16 in all, and these produced 214,000 pounds of cheese, doubling the record of the previous year. Before the end of the present calendar year at least 25 factories will be in operation, and from estimates secured from the cheese factory operators by Messrs. F. R. Farnham and D. R. Noland, it is expected that the total output of cheese this year will amount to 411,000 pounds, which is an addition of nine more factories and around 20 times as much cheese.

MUSICAL FOR SOLDIERS

On last Sunday afternoon the local chapter of the D. A. R. gave a musicale in compliment to the patients of the Government Hospital. Quite an interesting and enjoyable program was given.

Mrs. J. P. Chase, formerly Miss Gilmer, Miss Lucile Satterthwait and little Miss Evelyn Lane, the attractive daughter of Judge and Mrs. Lane, of Reidsville, each gave several numbers. The audience was most enthusiastic. Not only the soldiers, the guests of the afternoon, but also the townspeople who attended are much indebted to Mrs. Alden Howell, Jr., who was chairman of the committee in charge. The D. A. R.'s are taking quite a prominent part in the entertainment of the soldiers.

MASONIC DISTRICT MEETING

The Freemasons of Madison and Haywood counties, which comprise the 41st Masonic district of the Grand Lodge, will convene in Waynesville today at 2 p. m.

After the invocation by Rev. Albert New, associate grand chaplain of North Carolina, the delegates will be formally welcomed by the mayor of the city, Hon. J. M. Queen, and Prof. Leon Cash, a custodian of the Grand Lodge, will respond to the address of welcome. The sessions will continue afternoon and night, with a brief interval for supper. A cordial invitation is extended all Masons, and the brethren in U. S. service at the hospital will be heartily welcomed.
