BOY'S LEG BROKEN BY AUTOMOBILE.

While crossing the road in front of his home near Lake Junaluska, on the Asheville road, Monday afternoon just before dark, Roy, the ten-year-old son of Grover Leatherwood, was struck by an automobile and a broken thigh was the result.

The car was coming this direction and was driven by Miss Ada Davis, daughter of Jos. B. Davis who lives on Haywood street. It seems that the front wheel passed over the boy and he was knocked off the road by the rear wheel. He was brought to the hospital by Miss Davis and Drs. Abel and Sam Stringfield set the broken limb which was the most serious injury.

COMMISSIONERS CONSIDER BIDS.

A number of bids were considered yesterday for concrete road construction for the Waynesville-Dellwood road and the Canton-Woodrow road. They will hold the matter open until Friday when the contracts will be let to the lowest bidder. They want to protect the county in getting the best possible price and a guarantee of good construction.

Wellens-Simons.
Asheville Times.

Mrs. Sarah Wellens announces the engagement of her daughter, Hilda, to Mr. David M. Simons, of Waynesville. The announcement will be of much interest to the many friends of Miss Wellens and Mr. Simons throughout this section of the state.

BOY HIT BY AUTOMOBILE.

Yesterday afternoon while Mr. W. R. Harbeck was driving his roadster slowly on Main street a young son of Mr. Ralph Morgan, while crossing the street in front of the car, was hit by the machine, but on examination it was found that the boy was not seriously hurt. It was an unavoidable accident.

WAKE FOREST GLEE CLUB HERE APRIL 18.

With probably the best itinerary that a Wake Forest Glee Club has possessed in recent years, and with the most talented personnel that has composed the club lately preparations are being made for the ten engagements that Manager Clyde F. Harris, Jr., has scheduled for the spring trip.

According to the customary habit the troupe of music makers representing Wake Forest will journey through the western portion of North Carolina this spring, and in addition will meet two engagements on a week-end tour to Henderson and Oxford. The trip into the West includes eight towns and cities of North Carolina.

For the past ten years Dr. Hubert M. Potat has bent his efforts toward the creation of a College Glee Club and Orchestra, that is capable of rendering music in professional style. And he has realized his purpose, for there is nothing amateur in this production. The selections that the Glee Club give are excellent; they are neither too fantastical nor yet overabounding in periodic jazz. The ten or twelve selections that are included on the Glee Club's program are popular, musical, and up-to-date, a mixture of both the classical and present-day popular airs.

As to the orchestra that Dr. Potat has produced this season there is no doubt about it being the best of recent years. The material available for an orchestra is better this year and possesses more real instrumental ability than in late years. The orchestra is composed of two saxophones, two violins, two cornets, two trombones, piano, French horn, a clarinet and drums.

The itinerary that Manager Harris has arranged for the Spring tour includes more large towns than any tour has been made up of in recent years. The eight town itinerary is as follows: Meredith College, Raleigh, April 12; Rockingham, April 14; Monroeville, April 15; Charlotte, April 17; Waynesville, April 18, school auditorium; Asheville, April 19; Salem College at Winston-Salem, April 20; High Point, April 21; and Greensboro, April 22.

On the week-end trip both Henderson and Oxford will be afforded an opportunity to hear the Club perform. The date for the week-end trip on April 7 for Oxford, and April 8 for Henderson, a performance will be given in Wingate Memorial Hall, at Wake Forest, on April 9, which is the first time this year that the Glee Club and Orchestra has played Wake Forest.

BROKE A LEG WHEN HE RAN INTO AUTOMOBILE.

This sounds fishy, but a few days ago George Lanning sustained a broken leg when he ran into an automobile which was standing still. He is now recovering at the County hospital. Two men and two boys are there at the same time with broken legs. What would we do without this institution?

HEAD OF MUSIC AT LAKE JUNALUSKA.

Andrew Hemphill, one of the most successful and well known teachers of voice in the South, will be officially in charge of the music for the Southern Assembly at Lake Junaluska this coming summer, and will also teach a class in Waynesville.

Since his return from Europe, on account of the war, Mr. Hemphill has been teaching his summer classes several months in each year in New York and Chicago. The past three summers he has been one of the guest teachers in the Summer Masters School of Chicago Musical College. He had very successful seasons there and was urged to return as a member of that teaching force for the coming summer, but he has decided to come to the mountains of North Carolina instead.

Mr. Hemphill has had the best advantages the world affords. He studied and taught in New York City for six years, he also did concert work there and had charge of the music in various churches. He was also associated in the work at Chautauque, New York, for several seasons and will bring the result of his experience there to his work at Lake Junaluska. Mr. Hemphill spent three years in Paris, France, studying under the great Jean de Reeké. He was an assistant teacher in the de Reeké School, and was tenor soloist in the quartette at the American Church in Paris during his stay there.

Mr. Hemphill is presently a teacher. Through twenty years of experience he has had signal success. Many of his pupils are themselves teachers and professional singers. Five of his pupils passed the preliminaries to finals in the scholarship contest at Chicago Musical College last summer, one of them winning a scholarship in a contest with thirty-five singers from all parts of the United States.

Vivian Payne Pruitt, who won this scholarship, will accompany Mr. and Mrs. Hemphill to North Carolina and will be his assistant in teaching voice both at Lake Junaluska and Waynesville. For the past three years Mrs. Pruitt has studied under Mr. Hemphill and is one of his assistants. She is a concert and church singer of experience and will be heard in recital in various places in North Carolina during the summer.

Spencer King, a talented young pianist, pupil of one of Randolph Gann's assistants, will also be in Mr. Hemphill's party. He has been accompanist in the Hemphill Studios for three years. He will be official accompanist for the Assembly music at Lake Junaluska, and will teach piano there and at Waynesville during July and August. J. DALE STENTZ.

THE CIVIC LEAGUE.

The Civic League met with Mrs. C. H. McDowell, March 31, the meeting being called to order by the president, Mrs. E. L. Allen. The literary program was dispensed with on account of an unusual number of important matters to be brought up for discussion, among which were plans for some form of entertainment, the proceeds to be used for the benefit of the club home site. A request was read urging the league to co-operate with the other clubs in carrying out the clean-up campaign in Waynesville. Mrs. Arnold, Mrs. Thomas, Mrs. Hardin gave interesting and instructive talks along the line of civic work. Mrs. McDowell served delightful refreshments after which the league adjourned to meet with Mrs. Lindsay, April 14.

Has An Auto Hit You Yet?

By JESSE DANIEL BOONE

Has an auto hit you yet?
If one hasn't, you may bet
It will get you in the end,
Driven by some foe or friend;
For so many folks are rash
That they often wreck and crash;
So if you are in their way,
You had better dodge and pray.

Watch your step by day, by night,
As they speed with all their might
Or they'll grind your flesh and bones
'Twixt their wheels and cruel stones.
As at topmost speed they go
Hither, yonder, to and fro;
Burning up good gasoline
Urging on their mad machine.

You can see them any day
As they hurry, as they sway;
Pausing not for you or me,
Full of liquor or of glee;
See them racing 'round a curve
With a foolish kind of nerve
Hoping Fate will see them through
All the danger spots they woo.

new establishment.

Pollock's is the latest development in the chain of shoe stores owned and operated by L. H. Pollock, who, twelve years ago, started in business at the store now well known as the Globe, at 10 Biltmore avenue. The store at 30 Patton avenue has been in the hands of a corps of expert workmen for several weeks and when the doors are finally thrown open, one will see an establishment that is a distinct credit to Asheville or any city several times its size.

Fixtures were made according to certain ideas of Mr. Pollock, and they harmonize and blend with the shade scheme that will assist in making the purchase of shoes a pleasure. Paul Oxford, one of the best known shoe men in the city, formerly with Anthony Brothers here and at other points in their chain, is in charge of the main floor of the new store, and only the better grades, standard brands, of shoes will be carried. Mr. Oxford has a large following in Asheville and with the huge stock purchased by Mr. Pollock as a base of operations, his popularity and that of the proprietor should be considerably enhanced.

L. H. Pollock will devote his entire time to the Asheville store and will pay special attention to the bargain basement. He is too well known as a shoe man to need any lengthy introduction; suffice to say, he declares he will continue to adhere to his long expressed and acted policy of holding down prices. Mr. Pollock's own department is ready for business, as is the repair department, where the newest and most modern machinery has been installed to take care of all work brought in. Entrance to the basement and repair department can be gained Patton avenue and College street—a handsome new entrance on the College street end, and a private entrance to the left of the display windows in front, or on the Patton avenue end.

Mr. Pollock has expended thousands of dollars in fitting up his new store and surrounding himself with capable employees. He is discontinuing the Globe as a shoe store, but will move none of the shoes from that establishment to his new one; rather, by reason and dint of subversive prices, he will seek to rid himself of the Globe stock. The sale there opened Wednesday.

SERVICES TOMORROW (GOOD FRIDAY) IN GRACE EPISCOPAL CHURCH.

The Rev. C. S. McClellan of Canton will conduct the three-hour service in "Grace Church in the Mountains" tomorrow, Good Friday. A large delegation from Canton is expected, and these visitors will partake of a simple lunch in the Rectory at 11:30. The service will begin promptly at noon, but at fifteen minutes before twelve o'clock Mrs. Walter Damtoft will sing; Sidney Lanier's "The Ballad of the Trees and Master." During the three hours, Mr. McClellan will deliver seven addresses based on the last seven utterances of Christ while hanging on the Cross of Calvary. A most sincere invitation is extended everybody to attend, and the congregation is respectfully requested to be seated fifteen minutes before the noon hour, so as not to interrupt the singing of the solo by Mrs. Damtoft.

BAPTIST TO HOLD RALLY SERVICES SUNDAY.

Considering conditions and the need for deeper consecration and closer cooperation on the part of our people in the Haywood Association, it has been arranged to hold special all-day services at West Canton and Hazelwood churches next Sunday, April 16. The services will consist of a program of music, preaching and addresses by visiting pastors and other speakers, both morning and afternoon. Men and women from all the churches in reach of these points are urged to come. All pastors and ministers who can possibly do so are especially invited to be present. Singers and church choirs are given a special invitation.

It was planned to have another meeting in the Crabtree section for western Haywood, but the plans could not be matured in time. However, the Union meeting will be held at Fines Creek April 22-29th to which all the churches are expected to send delegates.

A PROCLAMATION.

By the President of The United States of America.

Whereas, the protection and perpetuation of our forests are vital to our continued industrial welfare and national strength, and to our individual health, comfort and prosperity, and Whereas, a period of fifty years has passed since, in April, 1872, there was instituted in the State of Nebraska observance of a day especially set apart and consecrated for tree planting, and known as Arbor Day, and

Whereas, both through widespread annual celebration of Arbor Day and through the increasing observance of Forest Protection Week public attention has been commendably directed to the value of trees, the unnecessary waste of our diminishing forests through preventable fires, the deplorable effects of forest devastation, and the need of remedial measures against depletion of an essential natural resource;

Therefore, I, Warren G. Harding, President of the United States, do urge upon the Governors of the various States to designate and set apart the week of April 16-22, 1922, as Forest Protection Week, and the last day of that week, April 22, as the Golden Anniversary of Arbor Day, and to request officers of public institutions, of counties, cities and towns, and of civic and commercial organizations to unite in thought and action for the preservation of our common heritage by planning such educational and instructive exercises as shall bring before the people the disastrous effects of the present waste by forest fires and the need of individual and collective effort to conserve the forests and increase our tree growth for ornament and use.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this 31st day of March, in the year of our Lord One Thousand Nine Hundred and Twenty-two, and of the Independence of the United States of America the One Hundred and Forty-sixth.

WARREN G. HARDING,

By the President;
Charles E. Hughes,
Secretary of State.

The Waynesville High school debaters returned Sunday morning from Chapel Hill, where they took part in the annual State-wide debate. While they did not win the cup, they made a fine showing. Out of more than sixty high schools, the affirmative team was one of fourteen chosen in the first preliminary. In second preliminary they stood second among the fourteen teams, Burlington getting three votes, Durham one and Waynesville one.

Burlington affirmative and Durham negative contested for the cup, Durham winning it.
