#### FOUR OUT OF SIX.

Record for Last Week Same as Week Before-2 Out of 3 With Canton, and 2 Out of 3 With Henderson ville. Asheville Here for Week. New Manager.

Our record for the six games just played is the same as last week, four out of six, only our batting is imhere last week with Canton and took two; played three at Hendersonville and took two. That isn't half bad.

Today we begin a three-game battle at home with Asheville and expect A motion was made that the club to take at least two. If Canton can allow Mrs. Miller money to plant hold Hendersonville down these three days Waynesville hopes to catch up and even win that pennant that all four are after. With Canton's slug-gers swatting the pill that's what may happen. Waynesville is now after two new men to strengthen weak spots and if that is done we will have one of the prettiest line-ups on any team in any man's league.

Below will be found box scores of the three last games played:

# Tuesday Morning. (Asheville Citizen.)

Suttles allowed but four safe blows in the seven innings. Two were home runs, poled by Manager Homer Moyer who got back in the game, and Bert Wilson, third baseman. The other two were of the scratch variety.

To even things up in their collection of safeties the Mountaineers also included a couple of circuit drives, by Leftfielder Troutman and First Baseman Lambright.

'The Boosters' two home runs were made in the first inning, after which Sutttles settled down and hurled masterful ball. His teammates shoved across the winning runs in the second and third.

## Waynesville Has Aroused From Sleep

## By Jesse Daniel Boone.

Just take an early morning peep At Waynesville, well-aroused from sleep. See wooden buildings giving 'way To modern ones of well-burnt clay; Where once were sorry, muddy lanes Are well-paved streets and water mains; The vacant storehouse, home and room Are all filled up and help things boom.

Where once was heard lament, complaint, From merchant, sinner, and from saint; You hear these praising up the town While a smile replaces every frown. To those who left and went away Dawn brings a new and better day; Another Waynesville has appeared; The clouds have gone; the sky has cleared.

The boosters drove the grouches back And now we have a good clear track; So open up and let's all go; We're tired of running things in low. Step on the throttle, let's run in high And pass the other fellows by; We have the scenery, water, air, And all the things to make us fair.
