

MADISON COUNTY RECORD

Published Every Friday, by THE RECORD PRINTING CO. J. R. SWANN, Business Manager.

We challenge the Enterprise, the official organ of the Court-House Ring and the claim speculators of the county, to point out a single instance in which we have made a mis-statement of facts, or have mis-quoted the records of the county.

self a lesson from that old adage that "people who live in glass houses should not throw stones", especially so when his partner in law is getting a fee out of the public funds of the county to see that its interests are taken care of.

Can't Stand Their Corruption.

Editor Madison County Record, Marshall, N. C.

Dear Sir—I wish to inform the citizens of Madison county that today I withdraw from the republican party for the following reasons: First, that they have held office so long that they have got corrupt in Madison county. Second they make laws to the big man's interest. Third, is a good and lawful one, that on the 25th of September, 1901, I paid my taxes to O H English one of Ramsey's deputies and on the 18th of October 1901, I was published as insolvent. These are facts and can be proven and hereafter I will vote the democratic ticket so far as county and state affairs are concerned. Please publish this as soon as possible and let everybody know what our good officers (?) are doing.

Yours respectfully, R. P. PONDER.

Buckner, N. C., April 9, 1902.
