NO. 20

A Magazine Thirty Years Old: -The Christmas [December] Numof The Delineator is also the Thirtieth Anniversary Number. To do notice to this number, which for beauty and utility touches the highest mark, it would be neces from Laurel to Marshall, distance sary to print the entire list of con- 12 to 18 miles, cast at end of each tents. It is sufficient to state that load Good teams making from in it the best modern writers and artists are generously represented The book contains over 280 pages, further partieuars address, with 84 fullpage illustrations, of which 20 are in two or more colors. The magnitude of this December number, for which 728 ton- of paper and six tons of ink have been used, may be understood from the fact 91 presses running 14 cours a day, have been required to print it; the binding alone of the edition of Will place on sale found Trip ing of the county, we think that and there denounced it as a fraud by a straight democrat for the 915,000 copies representing over 20, 000.000 sections which had to be; gathered individually by human hands.
