Editor Zachary Moves to Brevard

Mr. and Mrs. W. W. Zachary moves today for Brevard where Mrs. Zachary will board with her aunt till spring. This move is made on account of Mrs. Zachary's health. Mr. Zachary will move to Brevard in the spring but will keep up his practice here just the same as he has in the past.

BE NOT DECEIVED

We have heard it rumored that since Mr. Zachary had decided to move to Brevard that Swann was going to move to Raleigh or somewhere else and that The Record would surely die. But Swann is not going to move, neither is The Record going to die. So just send in your subscription and get your only county paper.

Some Life and Anis and Seferths

It all too fellows who try to drink up all the liquor every Christmas were to solve to go to Keeley in a bunch, Col. Osborn would have to enlarge and take in about a third of the town. And if all the others who will never pay an account unless practically obliged to do so were to be sent to jail, the county jail of Guilford would have to likewise enlarge.

Not only would the Guilford jail have to be enlarged but all the jails in the country if all the dead-beats should be incarcerated.

And if the churches would fire all the members who refuse to pay their debts the church membership would be greatly depleted but the cause of religion would not suffer. On the contrary we think it would be advanced, for of all dead-beats the hardiest and the most sanctimonious hypocrites who sit in the corner and talk glibly

about the sins of others while at that very moment he is owing just as much as he is making and non-at debts that he is making no efforts to pay. If there isn't a hell for this sort there ought to be, and we believe that an especially warm corner will be reserved for them.
