Public Speaking, and Good Time at Skyland

On Friday night of last week there was a box supper, ice cream supper and public speaking at Skyland School house near Rector's Chapel and about two and a half miles out from Marshall.

The program was arranged to begin at eight o'clock, P. M. Mr. J. E. Jarrett delivered the welcome address which was followed by and able educational address by County Superintendent, R. G. Anders. After this address the boxes were sold at auction to the highest bidders for cash. There was quite a number of the boxes and every one of them was sold at prices ranging from 75 cents to five and a half dollars. The sales were cried by Mr. J. H. White of Marcut' shall. Mr. White is an auctioner

CRAZY DRUNK.

Young Fore, Wild with Liquor, Runs Amuck at Madison Siminary--Cut Dennis Merrill' very Severely--Bound to Court Under \$1,600.00 Bond.

The preliminary hearings in the cases of the State vs Arthur Fore were heard before 'Squire Robt. Sams on last Saturday.

The Defendant was indicted under three separate warrants, viz., Disturbing Religious congregation, assault on G. W. Cole with a deadly weapon and for carrying a concealed weapon The prosecution was represented by P. A. McElroy, while the defendant was represented by G. M. Pritchard. The defendant was bound over under four bonds of \$400,00 each, to appear at the next term of the Criminal court.

The evidence was to the effect that each offense was committed at The Madison Seminary on last Friday during the annual meeting of the French Broad Baptist Association, and revealed the further offense of resisting an officer, but there was no warrant to this effect or of either of the other two assauts which the evidence tended to prove.

It seems that Fore and some other party were about to engage in a fight during the dinner seeing that trouble was about to arise, interfered for the purpose of preventing it. When he approached the party's, the defendant, Fore, made an assault on him and after being thrown down by Cole, he arose and attempted to use a pistol, which was knock ed out of his hand by some one to the use of his knives, with which he cut Dennis Merrill pretty severely on one of his hands and also on the arms.
