 disorder is told that an operation is necessary, it of course frightens her.
The very thought of the hospital operating table and the surgeon's knife strikes terror to her heart, and no wonder It is quite true that some of these troubles may reach a stage
where an operation is the only resource, but thousands of women have avoided the necessity of an operation by taking Lydia E. Pinkham's Vegetable Compound. This fact is
attested by the grateful letters they write to us after their attested by the grateful
health has been restored.

These Two Women Prove Our Claim

 Nan
 Now answer this guestion if you can. Why stoonk $\mathrm{z}_{\mathrm{w}}$

## Physicians Recommend Castoria

CASTORTA has mot with pronoumed davor on the part of physicians, pharma ceutioal sociotios and medical authorities It is used by physicians with results most gratifying. The extended use of Castoris is unquestionably the result of three facts: Firot-The indisputable evidence that it is harmless: sooon- That it not only allays stomach pains and quiets the nerves, but assimilates the food: Thiro-It is an agreeable and parfect substitute for Castor Oil It is absolutely safe. It does not eontain any Opiam, Morphine, or other narootio and does not stupefy. It is unlike Soothing Syrups, Bateman's Drops, Godrrey's Cordial, eto. This is a good deal for a Medical Journal to say. Our duty, however, is to expose danger and reocrd the meanss of advancing health. The day for poisoning immooent ohildren through groed or ignorance ought to end. To our knowledge, Castoria is a remedy which produoes composure and health, by regulating the system-not by stupeffying $i t$-and our readers are entitled to the information,-Hall's Journal of Hoalth.
