News From Joe, N. C.

Here I come again with a few lines from this section. The people are almost done pulling fodder. The school is getting along very nicely with a large attendance. Prof. R. G. Anders and Mr. H. B. Balding made the school a short visit last week. They both made interesting talks to the school. I am sending an "Honor Roll" of the past week, which consists of the following names:
Garel Balding, Bascum Balding, Martin Henline, Alfred Henline, Judge Fowler, Cardia Parks, Carel Taylor Marvin Taylor, Bharlie Taylor, Hattie Balding, Brodus Balding, Gerrel Balding, Bailey Hicks, Etis Hicks, Garel Stamey, Carel Stamey, Columbus Allison, Willie Allison George Balding, Violet Russel, Bulah Stones, Oris Stamey.
MAGGIE LEDFORD, Teacher.

Summary of First Weeks Dispensary Work

The following table shows the number of people examined and the number infected with intestinal parasites at each dispensary point during the first week's Hookworm Campaign in Madison County. Also the number of children examined and infected is shown.
White Rock, 26 examined, 9 infected; children examined 4, No infected 3.
Tul Springs, 58 examined, 15

infected, children examined 14. No. infected 4.
Mars Hill, 81 examined, 19 infected, children examined 21, No infected 7.
Walnut, 27 examined, 7 infected, children examined 5, No. infected 2.
Marshall, 47 examined, 20 infected, children examined 16, No. infected 10.
Total No. examined 239, Total number infected 70, Total number of children examined 60, Total number infected 26.

All should take advantage of this opportunity to be examined, the children especially. If infected there is much interference in growth, so that they are stunted and ill-developed. Children of fourteen years will appear not over ten. In school they are very backward, at work irregular and slow.

Use of Calomel Practically Stopped.

For Bilious Attacks, Constipation, and all Liver Troubles. Dangerous Calomel Gives way to Dodson's Liver Tone.

Every druggist in the State has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver tone is taking its place. "Calomel is often dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," says Marshall Pharmacy. Dodson's Liver Tone is guaranteed by Marshall Pharmacy, who sell it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of sluggishness, you have only to ask for your money back. It will be promptly returned. Dodson's Liver Tone is a pleasant tasting, purely vegetable remedy—harmless to both children and adults. A bottle in the house may save you a day's work or keep your children from missing school. Keep your liver working and your liver will keep you from working.

Write for complete Catalogue to
E. B. OWEN, Registrar, West Raleigh, N. C.

MARS HIL COLLEGE

A school that draws 399 students from 60 North Carolina Counties, and from seven other States and two Foreign Countries, some coming half around the world to reach it, must have merit worth considering by Madison County people.
It drew 270 students from other Counties and States, and 429 from Madison County. Is this a fair proportion?
Its students succeed at higher institutions and in life, out of all proportions to its numbers.
North Carolina Education says: "There are few schools in the world that do better work than Mars Hill, and make so little noise about it."
The Fall Term opens August 20, 1913.
Send for our new catalogue.
R. L. MOORE, President. Mars Hill, N. C.

MISS ROBERTA ROGERS
OFFICE:
BANK OF FRENCH BROAD BUILDING

Will G. Richmond, a resident of Inglewood, Cal., will answer any inquiries about Foley's Honey and Tar Compound. He says further Foley's Honey and Tar Compound has greatly benefited me for bronchial trouble and cough, after I had used other remedies that failed. It is more like a food than a medicine. Do not accept a substitute. For sale by Dr. J. E. Burnett, Mars Hill, N. C.

FOR SALE—New and second hand buggies and harness at bargain prices.—See Z. G. SPRINKLE
