Box Supper.

The box supper given at the Club House on Wednesday night by the Woodmen of the World was quite a successful and entertaining occasion. There were present a good number of the young ladies of the town and surrounding community as well as many of the young men. The young ladies were all provided with boxes full of good things to eat.

Mr. George Sams stated that the object of the supper was to raise funds for the purpose of equipping the hall belonging to that order and introduced Dr. W. E. Finley who gave an interesting lecture on "Fraternalism." After the address by Mr. Finley the boxes were sold at auction to the highest bidder for cash. Mr. J. H. White, president of the Citizen Bank, sold the boxes and maintained his usual high standard on prices. The market on the suppers fluctuated within an hour from one to five dollars per supper. The names of the young ladies were concealed so that the bidders did not know whose box they were buying, but the boys knew a good thing, although it was hidden in the box, and made the bidding lively and interesting showing the liberal and generous spirit which prevails among the young men of this community. After the boxes were sold the ushers escorted the young men to young ladies whose boxes they had purchased and with whom they ate supper. The suppers were spread on tables after which there was pronounced a blessing by Dr. Finley. Then came the eating and the fun and joy of the occasion. Every one appeared to enjoy the occasion to the limit and went home full and happy.

Hon. J. Coleman Ramsey.

The above cut is of the Honorable J. Coleman Ramsey Judge of the Recorder's Court of Madison County. Judge Ramsey is one of the young lawyers of the County who has arisen in the profession of law to the present honorable and responsible position which he holds.

The first sitting of his court was held in the court house in Marshall on last Wednesday and Mr. Ramsey presided with dignity and bearing becoming to the high position which he fills.

The cases in his court were all settled without appeal with the exception of one case which is proof of his good judgment and high sense of justice.

Mr. Ramsey is a republican and has represented the county one term in the State Legislature. The fact that he was appointed to his present position by a democratic legislature is evidence of his recognition by that important body.

The News-Record congratulates Mr. Ramsey and extends to him every good wish for his future success and usefulness in the county and State.

Druggist Gives Money Back.

Dodson's Liver Tone Gets a Four Square Guarantee from Marshall Pharmacy.

When an article is sold a druggist who is willing to give it his personal guarantee, it's a mighty strong proof of real merit.

That's exactly the case with Dodson's Liver Tone. It is a pleasant tasting, vegetable remedy for a slow and sluggish liver. Since Dodson's Liver Tone came on the market the sale of calomel has gone way down. The reason is simply this: Dodson's Liver Tone is safe and harmless and guaranteed to be satisfactory—Calomel is often uncertain, sometimes dangerous, and no druggist wants to guarantee that

it want knock you out of a day's work and maybe send you to bed.

Marshall Pharmacy sells Dodson's Liver Tone and guarantees it. For you and for your children, it's a good thing to keep a bottle always in the house.

Marshall Pharmacy will give you your money back if you think Dodson's Liver Tone is not worth the price. "Keep your liver working and your liver will not keep you from working." is good advise to go by.
