A Sure Remedy For Lazy Liver.

Go to Marshall Pharmacy for this Safe, Reliable Remedy and Get Your Money Back if it Fails

There are very few remedies that gain the confidence of druggists as Dodson's Liver Tone does. Marshall Pharmacy sells it and backs up the sale of every bottle with the money back guarantee that the price will be refunded if it fails to give complete satisfaction.
Dodson's Liver Tone costs 50 cents a bottle. It is the safest and best remedy for torpid liver, constipation, biliousness, etc., that has ever been sold in this city. It takes the place of dangerous calomel and does not lay you up as a dose of calomel often does. A bottle in the house is as good as fifty cents in the bank. If you or your family need a liver tonic you have the medicine ready. If it fails you get your money back.

Be sure you get Dodson's Liver-Tone when you ask for it. There are imitations of it that may disappoint you.

Young Women; Number Surprising

The number of young women who suffer with weak back, dizzy and nervous spells, dull headaches and weariness is surprising. Kidney and bladder ills cause these troubles, but if Foley Kidney Pills are taken as directed relief follows promptly, and the ills disappear. Contains no habit forming drugs.—Dr. I. E. Burnett, Mars Hill, N. C.

THE PRINCE OF PEACE.

It is now almost nineteen hundred fourteen years since the shepherds kept watch over their flocks on the quiet Judean Hills. As they watched and slept there under the clear blue dome of heaven little did they dream of the Bethlehem King who came that night into the world that knew Him not.

How quietly, how peacefully they slumbered and watched. How sweet the air, how bright the stars. "And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid. And the angel said unto them, Fear not; for behold I bring you good tidings of great joy, which shall be to all people." How good the tidings; how great the joy! Tidings and joy to all men! Not to a class, not to a nation, not to a race, limited not to a few nor yet to friends, but so far flung that not even an enemy could travel beyond the boundless limits.

Suddenly His star appears and silently moves toward the east. Out of the skies come the very angels of heaven to announce the coming of the Prince of Peace. The angelic music breaks on the still quiet night and the heavenly choir, through earth and sky, ring forth the rapturous melody: "Glory to God in the highest, and on earth peace, good will toward men."

The world has caught up the words of the heavenly host, but the music, no mortal conception can reach. The sublime rapture, the joyous thrill, the celestial strain have been lost to our powers of reproduction.

Then the shepherds went forth to the city of David to find there the Prince of Peace. Upon a throne they found him not. Clad in swaddling clothes they found Him in a manger. Yet they returned with lips attuned to His praise. His kingdom crossed the continents, over-reached the seas and to the increase in His government and peace there is no end. Of lowly birth, yet clothed with power greater than that of all other kings and princes combined.

The echoes of that night have widened with the years. They have swept on and on, over continents and seas until His uplifting power and influence is under almost every throne on earth. His power shall yet bind all mankind into one universal brotherhood. Peace shall find her way into every tribe and nation. The voice of hate and strife shall be stilled; love shall flood the continents with glory and jewel every human heart until the earth, catching up the strains of the heavenly host, shall answer back:

"Bring forth the royal diadem And crown Him Lord of all,"

Marshall High School closed for a two weeks vacation Friday. The term has been a most successful one. All of the teachers have done excellent work, notwithstanding the various difficulties under which they have had to labor, and are to be congratulated upon the success that has come to them in the work here. Both patrons and pupils have shown deep interest in the work.
