A Thought For The Week.

Its easy to locate a crook because he is in so many places, All at the same time.

Wednesday's session of the Recorder's Court was a very busy one, it taking a full day to dispose of the docket. The case of State vs. Bill Henderson was tried by a jury. It was a closely contested case. Solicitor McElroy made a masterly argument to the jury but the defendant was acquitted.

In the case of State vs. S. O. Goldsmith, for failure to work the roads, the court directed a verdict of not guilty. "The case rested upon the validity of the ordinances of the town of Walnut. Before any plea was entered in the case the counsel for the defendant made the point that the boundaries set out in the charter of the town were so indefinite that it would be impossible to establish the boundaries of the corporation and that for this reason and the further reason that the Highway Commission and bond act put all roads inside of incorporated towns in this country in the hands of the Highway Commission it would be impossible for the State to make out a case.

Geo. M. Pritchard
For
Solicitor.

Editor News-Record:—
I take pleasure in endorsing the candidacy of Mr. George M. Pritchard for the office of Solicitor of this Judicial District.

Mr. Pritchard is a young man of much promise, a son of Judge J. C. Pritchard, and was raised here among us and is well qualified to discharge the duties of the office, and I feel that we should extend to him a helping hand so far as we are able. The District is normally republican and we surely can nominate and elect Mr. Pritchard as our next Solicitor. Of course Mr. Pritchard needs no one to introduce him to the people of Madison County, being well known himself and being the son of Hon. J. C. Pritchard, who we have so often voted for and whose ability has made him known throughout the country.

The County of Buncombe having had the Solicitorship since the formation of the District it is hoped that our friends in that County will help us nominate and elect Mr. Pritchard at the next election.

Respectfully,
Mitchel A. Chandley.

May Find Radium
in Henderson
County

Dr. Kelly Takes Samples of Zircon from Zirconia for Purpose of Assaying Mineral.

HENDERSONVILLE, Jan. 9.—The people of this section are awaiting with unusual interest the announcement of the recent visit to the zircon mines at Zirconia, Henderson county, by Dr. Howard A. Kelly, the noted Baltimore surgeon, who is recognized as being one of the country's greatest cancer doctors, who was here in search of radium with which he makes treatment for his marvelous cures. Dr. Kelly was accompanied to the mines by Dr. Levi Jones of Zirconia. He expressed himself as highly pleased with the prospects for radium and took with him a number of specimens of zircon for assaying purposes. These mines are the property of Capt. M. C. Toms of this city and his son, Charles French Toms of Asheville and were operated successfully about 30 years ago when zircon was a very precious product. Additional equipment was installed about a year ago and operations resumed but owing to the large quantity of such product now in the country the mines could not be successfully operated. Since radium is found only in zircon mines it is highly probable that further investigations will reveal the fact that there is an abundance yet undiscovered. Dr. Kelly was attracted to this place by the excellent output of zircon, being directed here by Dr. Joseph Hyde Pratt.

A Tried and Proved
Guarantee

Man Bought a Bottle of Dodson's Liver Tone, Then Took it back and Asked for His Money and Got it.

A man recently tried out the guarantee which Marshall Pharmacy gives with every bottle of Dodson's Liver Tone. He bought a bottle and then went back to the drug store and said the medicine hadn't helped him.

This druggist reached into his cash register and took out a half dollar, the price of the bottle of Liver Tone, and handed it back to the gentleman. But he didn't take the money. He owned up that he was just trying the guarantee and, as a matter of fact, he had found Dodson's Liver Tone the best remedy for constipation and biliousness he had ever tried. "Why," he said, "my wife wouldn't be without a bottle in the house for anything. It's the best thing in the world for the whole family, and the medicine that I prefer to take or to give to my children for a lazy liver."

Marshall Pharmacy sell Dodson's Liver Tone and guarantees it to start the liver without violence. It is taking the place of calomel everywhere. If you buy a bottle and don't find this pleasant-tasting vegetable liquid the best thing to start a lazy liver, he will hand your money back with a smile. Adv.

WYNKEN, BLYNKEN AND NOD

(Eugene Field.)

Wynken, Blynken and Nod one night
Sailed off in a wooden shoe,—
Sailed on a river of crystal light
Into a sea of dew.
"Where are you going, and what do you wish?"
The old moon asked the three,
"We have come to fish for the herring fish
That live in this beautiful sea;
Nets of silver and gold have we."
Said Wynken,
Blynken
And Nod.
The old moon laughed and sang a song,
As they rocked in the wooden shoe;
And the wind that sped them all night long
Ruffled the waves of dew;
The little stars were the herring-fish
That live in the beautiful sea.
"Now cast your nets wherever you wish,—
Never afraid are we!"
So cried the stars to the fishermen three,
Wynken,
Blynken
And Nod.

All night long their nets they threw
To the stars in the twinkling foam,—
Then down from the skies came the wooden shoe,
Bringing the fishermen home.
'Twas all so pretty a sail, it seemed
As if it could not be;
And some folk thought 'twas a dream they'd dreamed
Of sailing that beautiful sea;
But I shall name you the fishermen three:
Wynken,
Blynken
And Nod.

Wynken and Blynken are two little eyes,
And Nod is a little head,
And the wooden shoe that sailed the skies
Is a wee one's trundle-bed;
So shut your eyes while Mother sings
Of wonderful sights that be,
And you shall see the beautiful things
As you rock on the misty sea
Where the old shoe rocked the fishermen three,—
Wynken,
Blynken
And Nod.

CARD OF THANKS

Mr. and Mrs. H. K. Ramsey wish to thank the many friends who showed their friendship during the days of their grief and sorrow. The kindness we can never repay except to hold them in our memories as having served us when we were in need. In as much as ye have done it unto the least of these ye have done it unto me.

To all we owe an unforgettable debt but we wish to thank especially Miss Ida Lynn, Mrs. Sophrona Payne, Mr. Jack Caldwell, Jesse Burnett and many others who nursed him.

To Jeter's teachers Miss Agnes Patton, Miss Mary Clarke and Miss Ricketts who were at his side, we give this token of esteem and gratitude.

Mr. and Mrs. H. K. Ramsey.
