

Queen Quality Shoes

P. V. RECTOR

The Cost Per Day is Less

Look For the "Star" on the Heel

THE average pair of shoes gives you service at a cost of three and a half cents a day

"Star Brand" Shoes are better than the average shoe, therefore the cost per day is less.

They may cost you a quarter more but they'll last a dollar longer.

There are lots of good shoes, but—

"Star Brand Shoes Are Better"

These shoes are made by the world's largest shoemakers. The more they make the less they cost to make. This saving goes into extra quality.

They are made in all styles, grades and sizes—all prices—for every member of the family.

All Genuine "Star Brand" Shoes have the manufacturers' name on the sole and their star on the heel. Every pair honest leather. No substitutes for leather ever used.

Don't just go into any store and ask for them, but come to us.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Items From Buckner

Editor, News-Record:— Dear Editor please allow me space for just a few of the most important items. I wish to say first that the Farmers around Buckner, have fine crops. We were visited yesterday with a very bad storm which laid our corn flat on the ground. Crops are fine in Yancey County.

We are looking forward to our public schools which we sincerely hope will be a success. We succeeded in obtaining Prof. Nelie Angel, of Paint Fork and Mr. Willard Marchbanks, as our teachers. They are promising young men, and no doubt will do their very best.

I must say something of the revival meeting that has just closed at Middle Fork. The meeting was conducted by Revs. Pickens and Sprinkle. Something like a dozen were baptised and the church greatly revived. The collections amounting to over forty dollars. Middle Fork, is not dead is it?

The people of Bethel are going to work on their new church at once. As we know of nothing else of importance, I will close.

Wishing The News-Record, and its readers success.
Correspondent.
