Union Services at Night

The plan has been discussed somewhat and there is promise of it in the future of Union services every sabbath evening at one of the churches, the pastors taking their turn in directing these services. We think it would be a decided step in advance and would show the union that exists amongst the people of Marshall and the kindly feeling that the different churches have one for another. We trust that this may not remain only in discussion but that we may see it an accomplished fact.

Lyceum Entertainment.

Next Tuesday the Winters will be the attraction for the Lyceum Course. This is an extra entertainment and is given to make up the deficit for the year. We trust that every one may go out to this entertainment as it will help the promoters of the course and not let them go too much in the hole as to expenses. There was a loss on the course this year and if the public do not help it will discourage the people in the future from getting these things up.

CARD OF THANKS

Editor, News-Record:—
 Please allow us to express, through the columns of your paper, our many thanks and deepest gratitude to the people of Marshall and vicinity for their many kindnesses shown us since our houses were burned. We acknowledge ourselves under lasting obligations to those who have so generously aided us in our trouble.

Sincerely,
 Mr. and Mrs. J. G. Ramsey.

Card of Thanks

I wish to thank the friends who so kindly helped and ministered to us in the time of our sorrow and distress. Our loss was great but the kindness and sympathy of friends came to help us and the burden was less because of the christian sympathy which came to us. We do indeed feel grateful for the words and flower tokens that came and in words can never repay all that was done.
