Pay as you Go.

New Bern Sun.
There seems to be a consider-
able breaking away from the old
credit system which has been in
use by so many merchants and
others for so long a time. This
is being noted not only here but
elsewhere and we are glad to see
this change taking place. If the
people could only be induced to
pay as they go it would be much
better all around. The system of
buying on credit works a
hardship on all sides and the
sooner it is abandoned the bet-
ter.
Let us figure on that house
plan, we can save you money and
you get the best at lowest prices.

"Class Poem"

(To C. F. Runnon "Class")
Pray listen to one, while I relate
A poem not genius, and yet
quite great
A story of the musical talented
stars
Who breathe and sing, in the
Land of the sky.
In this wonderful class is a num-
ber of eight;
Each has won for themselves a
note-worthy place.
C. F. Runnon in the front, found
ever at his post.
Bdt without Robt Sprinkle, he
would feel quite lost.
Porter B. deserves praise, with
his musical throat,
While his fair sex assistant,
perfects every note,
Johnny R's deep bass gladly
thrills every one
When Dovie goes to sleeping,
why his part sings on.
Sometimes thro' the hills of old
Tennessee,
For a volunteer, comes a call
to me;
With my sister, then we try,
with the class to keep pace,
And our singing's O. K. when
we're not singing bass.
There's a fair lady yet, with
dreams great praise,
For so sweetly, her voice to
any pitch, can raise,
Harmoniously rings, "onward"
each soul in the Choir;
With "upward" the motto, how
joyously happy they (we) are.
—E. J.

Tired, Aching Muscles Relieved

Hard work, over-exertion, mean stiff
sore muscled. Sloan's Liment light-
ly applied, a little quiet, and your
soreness disappears like magic. Noth-
ing ever helped like your Sloan's Liment.
I can never thank you
enough," writes one grateful user.
Stops suffering, aches and pains. An
excellent counter-irritant, better and
cleaner than mustard. All Druggists
25 cents. Get a bottle to-day. Penet-
rates without rubbing.

For Hay Fever or Asthma

Many persons dread July on account
of hay fever. Foley's Honey and Tar
Compound is recognized as the ideal
remedy for hay fever and asthma. It
heals and soothes the raw, grasping
throat and eases the choking sensa-
tion. It allays inflammation and ir-
ritation and brings easy, natural
breathing.—Dr. I. E. Burnett, Mars
Hill, N. C.

To the Farmers of
Madison County

The crops for the year 1915 are
laid-by and what is called the
leisure season is on. The way
this season is spent by the farm-
ers will mean much or little in
proportion to what use this time
is put by the individual farmer.
This period will be the time for
Institutes of various kinds. On
the 9th, 10th and 11th, of August,
there will be conducted a Chau-
taquus which will be highly en-
tertaining and instructive to all
who will attend. The fore noon
of August the ninth, will be a
free Institute to all farmers, their
wives and children and all others
who see proper to attend. Then
on the 12, the regular State Farm-
er's Institute will be held at
Marshall N. C., and at Mars Hill
N. C., on August the 13th
Farmers and Beef Cattle men
as well as all who are interested
in hogs, sheep, poultry and all
other lines of farming should
drop every thing and attend all
of these meetings. The coming
together at the Court House of
all parts of the county is one of
the best means of social and financial
improvement. Since we are get-
ting good roads, it is a thing of
nothing to come from the out-
skirts of the County and spend
half the day in town and return
in ample time for necessary re-
freshments during the following
night.
Then all citizens should know
at first hand what is going on in
their county town. Some of our
citizens, are so far behind that
they do not know that Marshall
has two streets, and yet it is true.
Then we have some skyscrapers
going up. The Citizen's Bank
is just completing a handsome
addition and Mr. John Ramsey
is nearing the completion of a
three story brick building, double
front, that would do credit to a
much larger town,
Then Jumbo, the old War
Horse of Madison and Mogul of
Marshall, is laying in cement and
stone the foundation for another
three story brick building on the
ashes of the old wood building
lately destroyed by fire. So the
old town of Marshall is past and
passing and a new town appear-
ing. Also the old Madison is in
the background and a giant-like
County is appearing. So let
every farmer, it matters not
whether he owns a thousand acres
one or no acres at all. Come out
to these meetings and listen and
lend his voice in everything that
is for the upbuilding of the farm
ers interest along all lines.

Respectfully,
J. R. SAMS,
County Agent.

For a More Effec-
tive Navy

Houston Post.
It cannot be charged that the
mind of Secretary of the Navy
Daniels is at all sluggish in in-
venting new ideas to be applied
to the making of a more effective
navy. His sweep of the needs of
that arm of the national defense
is limitless and finds fertile ex-
pression in innovations that some
times startle the old "sea dogs"
by the boldness of their concep-
tion. His latest scheme provides
for the creation of an advisory
board of the proposed bureau of
invention in the navy Department
said board to be composed of
Thomas A. Edison as Chairman
and sixteen noted American
scientists, to be selected by eight
scientific societies. There is no
pent-up Utica in Secretary Da-
niels' breast when it comes to
planning for that portion of the
public good which the depart-
ment over which he presides is
expected to conserve and protect
against foes insidious, or other-
wise.

tive.

400 Acre Farm
For Sale.

On account of poor health Will
O'Neil has listed his fine stock
and dairy farm two and a half
miles west of Newport for sale.
For ten years Mr. O'Neil has saved
no less than fifteen hundred
dollars yearly, profit from this
farm and he lists it for sale only
because his health is such that
he can no longer care for the
farm and the stock.

This farm is only two and a
half miles from the court house
and contains more than four hun-
dred acres. It is in a high state
of cultivation, under good fence
well watered, nice residence, two
barns; in fact one of the best
stock or dairy farms in upper
East Tennessee. Price \$21,000.,
one third cash, remainder in one,
two and three years. For furth-
er particulars call on or write: T.
H. Campbell, Newport, Tenn.

Summer Aches and Pains

A backache that cannot be explain-
ed by having "sat in a drift" is more
than likely the result of disordered
kidneys. Foley Kidney Pills prompt-
ly relieve backache, sore or stiff mus-
cles and joints, rheumatism, and sleep
disturbing bladder ailments. They
put the Kidneys in sound, healthy
conditions.—Dr. I. E. Burnett, Mars
Hill, N. C.

Treat Them Right

The dollar is one of the best friends you have
if you treat him right.

Don't make the mistake of working all your life
for the dollar. Be careful, by saving, put your
earnings in our bank and in time you can put the
dollars to work for you. That's the thing to be de-
sired. Once working for you at interest the dollar
is always working for you, 365 days in the year,
nights and Sundays, too. It's worth thinking about.
