## ROCKINGHAM HAS BIG CELEBRATION

LAY CORNERSTONE OF COURT HOUSE AND HIGH SCHOOL BUILDING.

### BARBECUE DINNER IS SERVED

Commander James A. Lockhart, Head of the State American Legion, Makes Address.

Rockingham.—Fully ten thousand people assembled here from Richmond and adjoining counties to celebrate the laying of the cornerstones of the new two hundred thousand dollar courthouse and the new one hundred thousand dollar high school building. There was a larger representation of Grand Lodge A. F. & A. M. officers than at any similar occasion held in the state in years, there being ten members of Grand Master James H. Webb's official family present.

The streets were packed with humanity when the Oasis Temple Shrine band, forty strong, struck up the March. Following the band were the county officials, Masons and the Grand Lodge officers escorted by one hundred Knights Templar. After the courthouse cornerstone was laid, the parade to the high school building was formed and this was ten blocks long. The band was followed by 700 school children, then the ex-service men, a score of Confederate veterans in cars, city and county officials and school trustees, and fifty Woodmen of the world, two hundred Masons, one hundred Knights Templar and the Grand Lodge officers.

During the course of the parade and exercises a Fox movie man ground out over two thousand feet of film. At the courthouse exercises Commander James A. Lockhart, head of the State American Legion, made the address, and Dr. Hubert Potent, Deputy Grand Master, delivered the oration at the school. A pleasing feature of the exercises was the singing by a select choir of a hundred voices.

After the high school cornerstone laying the immense throng was invited to the barbecue tables, where was spread two thousand pounds of elegantly barbecued meats. This was supplemented by scores of picnic baskets. All in all, the day passed without a hitch and Rockingham Lodge No. 495 feels quite proud for its successful culmination.

**Many Witness Dunn Program.**  
Dunn.—Approximately 5,000 people paid admissions to the Dunn fair grounds to witness the big program staged for the second day of the fourth annual session of the event. A clear sky following the rain and storms of the first day played its part in bringing out the crowd. Dr. B. W. Kilgore, pinch-hitting for Aaron Sapiro, who was unable to fill his engagement here, spoke on the co-operating marketing idea to a large crowd in the morning. Two harness races and one running race featured the afternoon program. Fireworks were displayed at night.

The stable of Colonel Lewis, of Norfolk, Va., was the big money winner in the harness races. One of his horses won the 2-24 race, and he topped first and second places in the 2-22 trot, defeating local horses in each instance. Billy Dedam, owned and ridden by Clebourne Wilson, won the half-mile dash. Jack o' Lantern, owned by George T. Hodges, with Norman Hodges up, was second.

**Fair Will Draw Big Attendance.**  
Southern Pine.—An unusual feature about the Sa-dille fair to be held at Pinehurst, in Moore County, November 7 to 10, will be the presence of the chamber of commerce of Winston-Salem and other prominent persons from up that way to the number of a hundred or more, who will drive down to Moore county in automobiles, 30 or 40 cars being engaged for the trip.

Winston-Salem has considerable money invested in tobacco farms and in peach orchards in Moore county, with more going a steadily, and a large number of farmers in the Moore county tobacco belt are from Forsyth, Yadkin and Surry counties. Moore county bright leaf tobacco is becoming interesting to the tobacco folks of that section, as it has been found that the peculiar soil of this neighborhood gives an individuality to the leaf. This appeals to the buyers and the price has been attractive. Then, as the soil is easy to work, and the Moore county tobacco region is a desirable one in which to live, the folks from the hill country have taken a fancy to the new land of promise.

**Solons May Get Increased Pay.**  
Asheville.—The Buncombe county board of elections has notified all election officials of the provision made by the last session of the general assembly for an election to be held in connection with the general elections and in which the people will decide whether the representatives of the various counties in the legislature serve for two dollars per diem or their pay may be increased to five per diem. The present rate of pay is not sufficient for ordinary living.

**Woman Killed in Auto Accident.**  
Gastonia.—Mrs. Leroy Kee, 40, was killed and her husband slightly injured here when an automobile he was driving skidded and went over a 20-foot embankment on North Market street. Rain had made the pavement slick.

**Conference to Meet in Henderson.**  
Henderson.—Rev. J. R. Pritchard reports that the partial canvass of the congregation of the Henderson Methodist Protestant church resulted in securing 100 homes for delegates who will come here November 1 to 6 for the state conference of the M. P. Church. There will not be sufficient, however, as 175 delegates are expected for the meeting. The entire congregation has not been heard from and it is believed that some will be easily reserved for two hundred before the opening of the convention.

## NEW BUILDING IS DEDICATED

Thousand Women From Various Portions of State Attend Ceremony at Barium Springs.

Statesville.—One thousand women from various portions of North Carolina were at Barium Springs to witness the dedication of the handsome woman's building at the Presbyterian Orphanage Home. The new structure has been named the Lottie Walker building in honor of Mrs. Lottie Arey Walker. The visitors at Barium Springs included 400 people who come by special train from Charlotte. Many also were here from Raleigh, Greensboro, Wilmington, Goldsboro, Durham, Gastonia, Lincolnton, Hickory, Newton and other towns. The exercises were held in the school auditorium with Mrs. E. F. Reids of Lenoir, president of the Synodical, which has been in session in Charlotte, presiding. The program was rendered in a most happy manner, twelve women making brief but excellent addresses. The opening hymn was followed by prayer by Mrs. R. D. Blacknall, and a song by the young people from the orphanage. Mrs. J. T. French spoke on the history of the orphanage work, telling of the wonderful progress that has been made. "Barium's Challenge" was the subject of Mrs. A. Currie's address. Messages from the Presbyterian auxiliary secretaries of orphanage work were delivered by Mrs. W. E. Fenner, Mrs. Joe Cannon, Mrs. C. E. Neisler, Mrs. J. R. Page and Mrs. R. N. Page. The financial statement and presentation of building to Synodical was made by Mrs. F. P. Hall, synodical secretary of orphanage work. Mrs. E. F. Reid made the address of presentation of building to the board of regents and the acceptance was by Mrs. W. B. Ramsey, secretary of the board of regents. The dedication hymn, written by Mrs. E. D. Brown of Rowan county, was then sung. The dedication prayer was offered by Mrs. R. N. Page. Appropriate talks were made by Rev. R. W. Boyd, the first superintendent of the orphanage. Joseph B. Johnson, business manager and head of the institution, and Rev. R. Murphy Williams, of Greensboro, president of the board of regents. Mr. Johnson's address outlined a progressive program for the next year, including a baby cottage, a boy's dormitory and a teacher, all of which were heartily endorsed. The magnificent new laundry was the subject of much favorable comment. This building, in which the machinery is now being installed, with a sewing room upstairs, are all the gifts of one generous-hearted Charlotte man, C. W. Johnston.

**Lenoir Farmers for Diversification.**  
Kinston.—Moseley Hall farmers now plan to grow wheat as a "diversified crop." The famous "garden spot" section has been invaded by the boll weevil, and next spring will plant a greater variety of food and feed crops than in any year since those preceding the War Between the States.

A report from LaGrange said O. Taylor, of Moseley Hall, claimed a sectional record for wheat. On one occasion when he experimented with the grain he produced 44 bushels to the acre. Gen. Jule Carr, Taylor said, had grown a fraction more than 43 bushels to the acre.

Wheat will be planted in a few Moseley Hall fields, potatoes will replace cotton in others, and there will be considerably more corn to feed the district's increasing hog population, while more truck will be grown in 1923. Progressive planters there are advocating general planting of wheat to make the section "Independent of the Michigan and Minneapolis millers." Little of the grain has been grown in the eastern tobacco belt for some years.

**Invents an Electrical Switch.**  
Dunn.—A corporation with capital stock of \$1,000,000 is in the preliminary stage of organization here to manufacture and market an electrical switch invented by Thomas L. Vaughn, traveling salesman for a dry goods concern.

The company has not yet applied for a charter, but its attorneys Godwin & Williams, probably will apply for one within the next few days.

Mr. Vaughn's switch is a simple appliance through which the most powerful incandescent globes may be lowered to a half-candle power. It makes the turning down of the electric light as easy as is that of the old kerosene lamps permitting a corresponding decrease in the quantity of current consumed. The switch is no larger than the ordinary hall-snap switch and costs very little more.

**Woman Killed in Auto Accident.**  
Gastonia.—Mrs. Leroy Kee, 40, was killed and her husband slightly injured here when an automobile he was driving skidded and went over a 20-foot embankment on North Market street. Rain had made the pavement slick.
