

"Made Me Well and Strong"
ANOTHER WOMAN WHO IS THANKFUL FOR PE-RU-NA

"I have taken several bottles of Pe-ru-na and find it a great benefit. I had pains in my stomach and bowels, but by the use of Pe-ru-na and Mace-o-lin, I am well and strong again. I always keep a few bottles in the house."
 Mrs. GEORGE GRAY,
 R. F. D. No. 3, Box 19,
 Nichols, Iowa

Mrs. Gray's experience is just more evidence that Pe-ru-na is quite as good a remedy for catarrh of the stomach, bowels or other organs as it is for coughs, colds and nasal catarrh. Pe-ru-na is a wonderfully fine medicine to have in the home for everyday use.

Not Entirely Artificial.
 "I was deceived in you," complained the husband. "Your teeth are hand-made, your complexion is artificial and your hair is another's. Are you wholly false?"
 "No, not wholly," she replied. "I have a mind of my own, as you very well know."
 And he was forced to admit the bitter truth of her statement.—Boston Evening Transcript.

Worse Still.
 "Your husband has been ill?" asked the vicar who was paying his monthly call.
 "Yes," replied the worried-looking woman. "He has been feeling very bad. I do my best to please him, but nothing seems to satisfy him."
 "Is his condition critical?"
 "It's worse than critical," she answered, with a sigh; "it's abusive."—London Tit-Bits.

Question.
 "My youngest sister is engaged."
 "Well, girl?" "I was just wondering." "About what?"

An Important Point.
 Judge—"Five dollars or ten days in jail." Prisoner—"What kind of a jail have you got?"

GERMANS KILLED BY FRENCH TROOPS

FRENCH CLAIM MOB OF 2,000 OR 3,000 MADE ATTACK ON THEM.

THIRTY REPORTED WOUNDED

Two French Civilian Engineers Are Badly Beaten and Severely Wounded.

Essen, March.—Clashes between French soldiers and German workmen at the Krupp plant here resulted in the death of five or six of the Germans and the wounding of about 30.

According to the French version of the affair, a lieutenant and 11 soldiers who went to the Krupp works for the purpose of requisitioning automobiles were set upon by a mob, variously estimated to number between 2,000 and 3,000, which was called together by the factory siren.

The mob showered stones upon the soldiers, the French say, while many of the workmen, armed with revolvers fired shots, shooting over the heads of the mob at first, but when the workmen refused to disperse, finally aiming to kill.

When the skirmish was at its height, an automobile bearing two French civilian engineers came along, and the fury of the workmen was shifted to them; they were attacked, badly beaten and severely wounded. The French also assert that the watches, wallets, passports and identification papers of the engineers were stolen.

The automobiles was smashed and the chauffeur took refuge among the little group of French soldiers, but before he was struck with several missiles. The engineers were taken inside the Krupp plant and severely manhandled. One of them, giving the name of Snowden and speaking English, came off much better than M. Sauvey, the other, whose name and language are entirely French.

The French military command in Essen, informed of the rioting, sent armored cars and tanks to the scene, and the appearance of these machines caused the workmen to retreat behind the walls.

LESSON FOR APRIL 8

ABRAHAM THE HERO OF FAITH

LESSON TEXT—Genesis 12:1-5. Hebrews 11:8-10, 17-19.

GOLDEN TEXT—Abraham believed God and it was counted unto him for righteousness.—Romans 4:3.

REFERENCE MATERIAL—Romans 4:1-25; Galatians 3:4-9; James 2:21-24.

PRIMARY TOPIC—Abraham Obeying God.

JUNIOR TOPIC—Abraham, the Man Who Trusted God.

INTERMEDIATE AND SENIOR TOPIC—Abraham, the Friend of God.

YOUNG PEOPLE AND ADULT TOPIC—Abraham, the Pioneer of Faith.

1. His Call (Genesis 12:1-5). The human race, as such, had no beginning, and now we see God's purpose as to the redemption of the race taking shape. Therefore he singles out this lonely man to make him the head of a nation through whom redemption was to come.

1. His Separation (v. 1). He was called to go out of his own country; to separate from his kindred and go to an unknown land. These were all very dear to his heart but they were to be given up that Abraham might have God and be the father of all the faithful. Abraham was living among idolaters; therefore, he must separate from them. Even his kindred must be left behind for they were idolaters. Following God costs much that is dear and precious to us today. To attain unto the highest and best in the spiritual life many things which are pleasant to the carnal nature must be sacrificed.

2. God's Gracious Promise to Him (vv. 2-3). (1) "I will make of thee a great nation." This was fulfilled in a natural way in a great posterity (vv. 13-16) and in a spiritual seed. See John 8:39, Galatians 3:16-17. (2) "I will bless thee." God has wonderfully blessed Abraham in a natural and spiritual way and still greater realization of this promise is to come to Abraham's seed. (3) "Make thy name great." Abraham was called the friend of God. James 2:23. Abraham is a universal name. (4) "Thou shalt be a blessing." Untold blessings have come to the world through Abraham and still a greater blessing will be realized when the fullness of God's purpose concerning that nation shall be realized. (5) "I will bless them that bless thee." (6) "I will curse him that curseth thee." Abraham's seed is God's very touchstone. Nations and individuals who have used well Abraham's descendants have been blessed and those who have cursed them have in turn been cursed. (7) "In thee shall all the families of the earth be blessed." This is the all-comprehensive promise of God because it shall come to the world through the Messiah. Galatians 3:16. While Abraham had to give up much he gained infinitely more than he lost.

3. His Obedience (vv. 4-5). Without question or delay Abraham took his departure to the unknown land. Though he did not know whither he was going he knew that God had spoken. To have God's command and promise is enough for the child of faith.

FROM GENERATION TO GENERATION Mothers Advise Their Daughters to Rely upon Lydia E. Pinkham's Vegetable Compound to Keep Them in Health

A Mother's Advice Prevents Operation

Corona, N. Y.—"I had a terrible pain in my left side and had to go to bed every so often. Doctors had told me I must be operated on, but I do not believe in the knife and would rather suffer than go through it. My mother also did not believe in it and she made me take Lydia E. Pinkham's Vegetable Compound because it had helped her. It has also helped me for I am better and able to do all my work. I recommend your medicine and give you permission to use my letter as a testimonial."—Mrs. J. BUSCH, Jr., 11 S. Railroad Avenue, Corona, N. Y.

A Sickly Child

Mahoningtown, Pa.—"I would like to say a few words about Lydia E. Pinkham's Vegetable Compound. About a year ago I thought it would be necessary for me to take my daughter out of school. She was losing weight, was nervous, and when she would come home from school she would drop into a chair and cry, and say, 'Mamma, I don't believe I can go to school another day!' I gave her Lydia E. Pinkham's Vegetable Compound and now she is a healthy, happy, hearty, strong girl and weighs 120 pounds. She has no difficulty in doing her 'gym' work, and she works at home every night and morning, too. I am a mother who can certainly praise your medicine, and if it will be of any benefit you may use this letter as a reference."—Mrs. GEORGE E. WHITAKER, 621 W. Madison Ave., Mahoningtown, Pa.

Every girl wants to be healthy and strong, and every mother wants her daughter to do well in school and to enjoy herself at all times.

Lydia E. Pinkham's Vegetable Compound is a splendid medicine for young girls just entering womanhood. Mothers may depend upon it. Remember it is prepared from roots and herbs, contains nothing that can injure, and tends to tone up and strengthen the organs concerned, so that they will work in a healthy and normal manner.

For nearly fifty years it has been used by women of all ages, and these women know its great value. Let it help your daughter and yourself.

Aviators Make Speed Records.

Dayton, Ohio—American Army Aviators broke two world speed records, which had recently been set by a Frenchman, Sandi Lecoite.

Lieutenant Alex Pierson flew 500 kilometers (310.5 miles) in one hour, 50 minutes, 12.7 seconds, an average speed of more than 166 miles an hour.

Starting about the same time, Lieutenant Harold H. Harris flew 1,000 kilometers in four hours, 52 minutes, 34.24 seconds.

The best time the French aviator made in the 500 kilometer distance was two hours, 42 minutes, 51.3 seconds. The record for 1,000 kilometers was six hours 39 inches, 40.3 seconds.

Little Boys Victims of Fiend.

San Bernardino, Calif.—The bodies of Dean Meesham, 4, and Dickey, 5, were found in a show case in a vacant store here as police, aided by 1,000 armed citizens and 500 school children searched for abductors of the two children. The boys had been missing for six days. Police declared they had been murdered. Undertakers who examined the bodies said the lungs of Dean were filled with water and that he had been drowned before being locked in the show case. Authorities believe that the children had also been given a powerful drug and that Dickey was evidently in a coma when imprisoned.

Woman Gets Damages Against Husband.

Asheville.—Mrs. Orla Roberts was awarded \$2,500 damages by a jury in Madison superior court following the trial of a damage suit instituted by Mrs. Roberts against her husband as the result of an automobile accident in which she sustained injuries.

She alleges that her husband operated the car in a negligent manner and by reason of such she was entitled to damage.

Mrs. Roberts is living happily with her husband and there are no marital troubles. A liability insurance company will have to pay the judgment, if an appeal by defendants to the supreme court results in an affirmation of the Madison court's verdict.

Oyster 80 Years Old.

An oyster eighty years old has been taken from Delaware bay, it is reported. Scientific investigators agree and assert that the age of an oyster is indicated by the ridges or waterlines on its shell, just as the age of a tree is indicated by the annual rings that form on its trunk.

A ridge appears on an oyster every year, according to these savants, up to the fortieth year. After that the shell takes on one only every ten years. This venerable Delaware oyster had 44 ridges; hence it was eighty years old.

An Up-to-Date Young Feller.

Two high-school girls, short-skirted, bob-haired, bright-eyed and talkative, sat in a downtown motion picture theater while on the screen before them a story of love was unfolded. The central figure was a man whose chief distinction, outside his motion picture success, is that of a certain brand of trousers which once were named for him.

One girl sighed. She turned to her companion and whispered:
 "Oh, Nell, wouldn't you just love to hate a man like that?"—Indianapolis News.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver, which causes necrosis of the bowels. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.
