Kirkpatrick of Burlington, Washington, Mr. Nathan Kirkpatrick of Sedro Woolly Washington.

Andy Woody,
 Trust, N. C.

Death of Mrs. J. C. Robinson

Editor of The News-Record:—
 Please allow me space in your paper for a few lines from Laurel Branch.

On Tuesday night the 8th the Death Angel visited the home of J. C. Robinson and took from him his Companion. Mrs. J. C. Robinson was 56 years old and had been married 37 years, the mother of ten children, 8 still living, two passed on before her. She professed faith in Christ at the age of 12 years, for 10 years of her life she doubted, but for thirty-four years she lived a consecrated life. She was loyal not only to her Lord but to her church, and the community and Oh how we will miss her, she was a mother to all. And her whole desire was to see the church and Sunday School prosper. But the Lord took her and she is not with us any more, but her life will live on. All during her sickness she was patient and kind only waiting to step out into the life beyond, and she is now beckoning her loved ones to come on and be with her where there will be no more sad parting, her body was laid to rest in the family grave yard on Middle Fork. Brother R. P. McCracken, her pastor assisted by L. C. Roberts, W. H. Ballard and Rev. Buckner conducted the funeral services.

Clifford R. Justice, of this city now serving with Company "C" of the 29th United States Infantry at Fort Benning, Georgia, has just been promoted to the grade of Corporal. Owing to the fact that Justice has only been in the service about 19 months, this is a very commendable achievement.

Corpal Justice is qualified as a Sharpshooter with the service rifle, and has just completed attendance at the Automatic Rifle School held in the 29th Infantry. His friends here will be glad to know of his success.

"Buy At Home"

Anonymous

Tune: "John Brown's Body."

1.

If you would wear good looking clothes.

Be sure to buy at home

If you would dress as do the best

No matter where you roam,

Just visit our own Fashion Shops,

And make selection there.

For our models have shown fabrics

You're sure going to wear

2.

Don't moter over to Asheville when

You want a sporty skirt,

Don't write to Sears and Roebuck

When your husband wants a shirt,

Just call our local merchants up

Their prices all are right.

And thus you boost your city too,

And make its future bright.

To The Citizens Of Madison County

Ladies and Gentlemen, I wish to announce myself as a Candidate for the office of Sheriff for a second term, subject to your approval at a primary to be held on June 7th.

In making this announcement, I wish to express to the Citizens of Madison County, my appreciation for their hearty co-operation in aiding me in the discharge of my duty during my term as sheriff of Madison County. A Crime cannot be suppressed, the law enforced, the homes, schools, and churches protected, without the assistance of the Citizenship of the County.

It has been the Custom, that an officer have a second term if his record merits it. The common sense and reason for this is, that a man can work more effectively and make a more efficient officer, because of his knowledge of conditions and the needs of the people, gathered from his past two years of service.

I have sincerely tried to faithfully discharge the trust placed in me and have without favor to any, executed the duties of my office. I may not be able to see all of you personally to solicit your support, on account of the duties of the office which must be attended to.

If therefore, you think my record as Sheriff has been what it ought to be, I most respectfully ask your support at the primary and your continued aid and assistance, in order that we may hold for Madison the record she now has, of being the driest County in the State.

Respectfully,
 R. R. RAMSEY.

Mr. R. M. Gabagan, of Belva, sent last week to the Chairman near East Relief, his check for \$5.00 for the 12 orphans, which Madison County is allotted to care for. Madison County is expected to contribute this year \$720. Will others show by sending in contributions that they have the spirit our Lord said it was necessary to have, to witness for him. At least 500 citizens of Madison County ought to send in at once \$5.00 each for this cause of suffering humanity.

Attendance at Mars Hill is Highest in Its History; Over Five Hundred in the Classes.

Following are advance paragraphs from the April Issue of the Mars Hill Quarterly:

The total enrollment for the year exclusive of the summer school is 512, the highest attendance record ever reached at Mars Hill or at any other private school in Western North Carolina. These students came from 66 counties in this State, from 11 other States—New Jersey, Virginia, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Arkansas, Texas, Indiana, and New York and from the foreign countries—Cuba, China, and Brazil. Three enrolled from the District of Columbia.

The Summer School of seven weeks will open on Wednesday, May 7th. Several Junior College subjects will be offered, and practically all high school subjects for which there is a sufficient demand. During this term one may add one unit to his high school credit or a maximum of three hours of college work. Only students of serious purpose are desired. Professor Stringfield is Director of the Summer Session.

The outstanding feature of the year is of course the building program made possible by the gracious offer of Mr. Treat. His is the largest single gift made to a Baptist school in this State during the year and one rarely surpassed in all the years. A gift of considerable size from this same benefactor made it possible to take care of the largest number of ministerial students ever enrolled here. There have been high tides of interest in B. Y. P. U. work, in the study of books on S. S. methods and management, in preparation for doing Vocational Bible School work. The number of students in the Junior College has passed expectations and one must again speak in superlatives in making reference to the spiritual tone and fine ideals and holy ambitions of the student body as a whole. The unscaled heights beckon. Up and on!

The first bequest Mars Hill ever received was one of \$100 from Mrs. Mary G. Hudgins of Marshall, N. C. It meant more to the school than the sum would suggest to those who are accustomed to present values. Last year the school received \$600 from the estate of Mr. M. M. Stewart of Henderson County. The late James Merrell provided \$1,000 in his will for Mars Hill along with a like sum to the Oxford and Thomasville Orphanages. This sum will be available before the close of the year. And our present endowment of \$25,000 is a monument to the wisdom of W. J. Slayden in providing \$5,000 in his will for this purpose. The will of the late J. B. Bridges was probated at Newton last May and provides that his entire estate valued at some \$20,000 will come to Mars Hill at the death of his wife. It is known that two others have remembered the College in their wills. Many others should follow the examples of these. Whether the sum is small or large, PUT MARS HILL IN YOUR WILL.

Several of our teachers will do work during the spring and summer toward higher degrees. Professors Elliot and Carr are being released from their classes the last of March so that they may get in the full fourth quarter at the University of N. C. Misses Downey and Bracket will study in northern universities during the summer, and Miss Howell will spend some weeks in Spain getting a first hand acquaintance with the people and the language. Messrs. J. J. Slatery and Oren E. Roberts, teachers in the College, have given days and nights in an effort to break up the whiskey business in and around Mars Hill which appeared early in the year in a little worse form than is usual in these parts. They secured evidence which led to the conviction of some; others fled to unknown parts; and the results of their courage and unselfish efforts will tell for good for a long time yet. They deserve, and have the appreciation of all good citizens.

97 Tuberculosis Clinics Held In State By N. C. Tuberculosis Association 10,000 Examinations Made. Over Eleven Per Cent Found Positive.

To date ninety seven free tuberculosis clinics have been conducted in the State under the direction and support of the North Carolina Tuberculosis Association. The findings of these clinics shows that eleven and one-half per cent of all the persons examined were positive cases while over eighty per cent were found to be negative, six per cent suspicious cases and about two per cent doubtful. The number of examinations given to the 97 clinics total 10,008. The number of positive cases found was 1,150, the number of negative cases 8,150, the number of suspicious cases 628 and doubtful cases 180.

In connection with the clinic work, 252 educational addresses were made on the subject of tuberculosis to an audience of 42,844. Dr. D. R. Perry, formerly County Health Officer of Davidson, is now in charge of the clinics, which feature of tuberculosis extension work was made possible by the sale of Tuberculosis Christmas Seals.

The clinics are held upon request of physicians, a county health officer, a public health nurse, a welfare worker or the chairman of Tuberculosis Christmas Seal Sale. Since January this year Dr. Perry has held clinics in Kinston, Durham, Davidson, Marion, Raleigh, Pittsboro, and Wadesboro. While the direct object of the clinic work is to find cases, the educational value is of great importance. Here large numbers of people come to know for the first time the fundamental things concerning the prevention, spread and treatment of tuberculosis, one of the most important of which is finding the case early while it can be cured.

To the Voters of Madison County.

Ladies and gentlemen: I hereby announce myself a candidate for the nomination of Sheriff of Madison county subject to the Republican primary to be held June 7. Having served as an officer for the past eight years and as Federal prohibition agent since 1921 I feel that I will be able to carry out the duties of this office to the best interests of the people and having been urged by good citizens from all parts of the county, since before the primary of 1922, to become a candidate for this office, I feel it my duty to as well as privilege to make this race. Thanking each and every one for whatever kindness and support you may be able to give me, I am

Respectfully yours,
 WILLARD C. RECTOR,

TREASURY DEPARTMENT Internal Revenue Service Salisbury, N. C.

TO WHOM IT MAY CONCERN:

This is to certify that W. C. Rector, was on this force about two years, and he made a splendid Officer and seemed to have the enforcement of Prohibition at heart. I don't think the people of Madison County would make any mistake in electing him Sheriff of the County.

Respectfully
 A. B. COLETRANE,
 Federal Prohibition Officer.

Billy Sunday Sayings

There are some things we aren't supposed to know, so don't horn in.

The Lord's a good scout. Don't worry.

Some people think they're close to heaven when they're so near hell they can smell the sulphur fumes.

Listen here, college professors some of you think because you are connected with a college you are ahead of the Lord.

I am like Martin Luther in a way. I can preach and pray better when I am mad.

Salvation is double-barreled. It not only saves but it preserves against sin.

I'd lie any day to keep Mrs. Sunday away from some geezer and I'd explain to the Lord later.

I'd rather be a knotted, gnarled, skin-dried old maid living in a house full of kittens and anti-ques than to be married to some booze-soaked roughtnecks I know.

All that some people are good for is to make more in a crowd.

Jesus had 12 disciples and one of them was a devil. You can certainly find as large a proportion in the church, if not more.

Nothing is needed on earth more than a baptism of good horse sense.

Be natural and original. Be yourself, not a patched-up imitation.

Between the spot I stand on now and the bed where I'll lie in some graveyard, I'll never compromise with the devil.

The Churches of the French Broad Association

Your Executive Committee has planned to have a series of group meetings in the near future for the purpose of stimulating and quickening church work in all its plans. The first of these meetings will be held at Mars Hill on Monday the 5th day of May beginning at 10 o'clock a. m., and beside Mars Hill the following churches will constitute this group viz: Bull Creek, Gabriels Creek, Fork of Ivy, Piney Mountain, Locust Grove and Ivy Hill. Each of these churches are earnestly requested to send as many delegates as they conveniently can; to be compared of their pastors, church workers, Womens Mission Unions and B. Y. P. U. workers. An all day session is contemplated in which our many problems will be considered and visitors will be cared for.

Following this meeting other groups will be formed from other churches with centers which will hereafter be announced. The following suggestive program is commended for these meetings. Now brethren let us see who is on the Lords side and who is willing to give one day to his service. Remember there is power in consultation and co-operation. Read Malichi 3:16. Any workers outside of this group, are cordially invited

W. P. JERVIS,
 For Executive Committee.

PROGRAM

FIRST—In what way may we obtain spiritually for carrying on our work.

SECOND—The power of a consolidated effort in the Lords work.

THIRD—To what extent should our churches be organized for their work.

FOURTH—The Scriptural authority for what we as Baptists have to give to the world.

FIFTH—Question Box.

Mars Hill Community News

The town Y. W. A. of Mars Hill is doing great work. The Polly Anna game is doing much toward lining all the girls up.

Mr. Bob Tilson has joined in partnership with Mr. Fred Holcombe in the dry goods business.

Rev. A. V. Reese, one of the most successful evangelists throughout the Southland, recently visited his family in Mars Hill. While here he made a remarkable Chapel talk.

Professor J. B. Huff, who is teaching at Carson-Newman College this year, came back to his old home place last week, and spent a couple of days.

The town boys Sunday School Class (Baracca) is planning on taking the Sunshine Philaetha Class on a trip to Hot Springs, Friday week.

Miss Thelma Reese is going West in July to take a course in special training.

The Mars Hill Base-ball team, under the direction of Coach O. E. Roberts, is very successful this Spring.
