**KEEP These  
Wheels TURNING**

DO you know what it is that keeps the wheels of business turning? It's the great machinery of Credit—which is created by money in the banks.

And every dollar you deposit in the bank will help to turn those wheels—and produce a greater prosperity. Keep the wheels turning.

**BUSINESS IS GOOD**

October will show an increase over October of last year of more than 33 1-2 per cent.

**A REASON**

More goods for same money, same goods for less money. A complete line of Merchandise bought right--sold right--is the secret. Call on me when in Marshall.

RESPECTFULLY,

**G. L. MCKINNEY**
