BIBLE THOUGHT

The work of righteousness shall be peace; and the effect of righteousness, quietness and assurance for ever.

It will be interesting to consumers of coal to know that freight rates into North Carolina have been reduced.

Ikey and Izzy were separating after an evening together, when Ikey said: "Au revoir."

"Vat's dat?" asked Izzy. "Dat's goodbye in French." "Vell," said Izzy, "carbolic acid."

"You have heard what the last witness said," persisted the lawyer, "and yet your evidence is to the contrary. Am I to infer that you wish to throw doubt on her veracity?"

The people of this place are getting along nicely with their work. We have been having some very dry weather.

We are still having an interesting Sunday school at this place. We have a good number in Sunday school every Sunday. (Rev. Jesse Corn, our pastor, was with us last Sunday in Sunday school. We also had our good old brother, Rev. J. S. Ponder and family from Mars Hill with us Sunday. We are proud to have them

with us again. We are proud to say we had a nice Decoration at the Sams cemetery on the hill near the church at 3 o'clock Sunday p. m.

We had a large crowd with us. There were quite a lot of people from different parts of the country. There were about 300 present.

Our speakers were our pastor, Rev. Everett Sprinkle Rev. J. S. Ponder. All made inspiring talks on the resurrection of the dead. That will be a day that will long be remembered by all the people that were present. The graves were all nicely decorated.
