## Ask a SOUTHERN RAILWAY man

THE 60,000 men and women workers on the Southern Railway System know that their welfare is bound up with that of the Southern—and that whatever benefits the Southern and the South benefits them.

Southern Railway men and women are business getters for the Southern. Talk to a Southern Railway man about your transportation requirements. He has behind him the support of his fellow-employees and of the management. If he does not have the information you desire, he will get it for you.

Southern Railway employees are bred and trained in the traditions of the South and of the Southern. They have the desire and ability to maintain those traditions.
