### What is a Diuretic?

One Can't Feel Well When Kidneys Act Sluggishly.

THE part played by the kidneys and their importance to bodily health should be clearly understood. Sluggish kidneys do not thoroughly cleanse the blood of poisonous wastes. Such impurities are apt to make one dull, tired and achy with often a nagging headache, drowsy headaches and dizziness. A common warning of imperfect kidney action is scanty or burning excretions. Doan's Pills aid the kidneys in their eliminative work. 50,000 users have publicly recommended Doan's. Ask your neighbor!

### REVERE SCHOOL NOTES

The Revere Parent-Teachers Association since its organization two years ago has accomplished very much in the way of several improvements; the house has been painted. The last meeting resulted in the patron meeting on Aug. the 20th in which several truck loads of shale were hauled and the front yard was filled to save the boys and girls from wading in the mud. It is surely appreciated by all.  
Our School Committee has provided us with new seats which were much needed and both children and teachers are very thankful.  
Revere school has now the largest enrollment for years, starting out a 106.  
The following pupils in Mr. Ben-

nett's room had their names on the Honor Roll for the month ending August 26: Pattie Rice, Eldridge Leake, Leo Roberts, Aubrey Ramsey, Rosa Lee Wallin, Helen Leake, Viola McDevitt, Belva Wallin, Artie Norton and Agnes Stanton.  
Pattie Rice is Secretary of the Revere Parent-Teacher Association.  
Mr. and Miss Cornelius McDevitt visited Miss Alice Osborn at the home of Mr. and Mrs. S. C. Burnett Monday night.  
Charles Albert Ross has gone to spend a few days with his grandfather.  
Mr. and Mrs. Jeter Ramsey went to Middle Laurel to the Fifth Sunday Meeting. They reported a nice time.  
Miss Margaret Leake took dinner with Miss Nora Norton Sunday.

### ARMY ON RUBBER BASIS

Uncle Sam has finally opened up his kind old heart and agreed to supply the boys in his army with rubber-heeled shoes. He has been figuring on the subject for some time and has come to the conclusion that the new type of shoe will cost little more than the old type with leather heels. Many of the men have been accustomed to putting rubber heels on their regular garrison shoes, but they had to stand the expense. This will be the first shoe so equipped issued by Uncle Sam.

### THE PRIDE AND ABOMINATION OF THIS DAY.

Dear Christians: In your surroundings so captivated with the power of the wicked one that it is difficult for you to serve God, if so just look up to God with all faith and serve Him in spite of Satan and his power. Hear God's Word, "Pride goeth before destruction and an haughty spirit before a fall. Are you oppressed with the cares of life, keeping the things so tidy and so on, unnecessary cares and pride, that you leave off taking time to meditate on the goodness and care of God and His service read and study God's Word, consider our fathers and mothers of old, how they lived close to God, didn't have so much pride, but took time to serve God, went about their work in love, one to another and love to God, lived in peace here, shouted and praised God and had a peaceful hour in which to die. Where are we spiritually? What are we doing? Wee unto you scribes and pharisees, hypocrites, ye make clean the outside of the cup and platter, but in word, ye are full of ravening and wickedness. I'd rather walk humbly with my God, serve Him and have the peace, joy and satisfaction, the peace that passeth understanding, and be in great need, than to be without God in the world with all the pride of life, pomp and splendor and wealth that the world affords. Are you with me, or are you one that follows after pride and vainglory? One that helps make manifest a rejected people by wearing bobbed hair, being disobedient to God in breaking His laws instead of wearing your hair that God has given you for a glory. Read what God says in His Word, Jeremiah 7:23-29. But this thing commanded, I them, saying, obey my voice, and I will be your God, and ye shall be my people, and walk ye in all the ways that I have commanded you, that it may be well unto you, but they hearkened not, nor inclined their ear, but walked in the counsels and in the imagination of their evil heart, and went backward, and not forward. Since the day that your fathers came forth out of the land of Egypt, unto this day, I have even sent unto you all my servants, the prophets, daily rising up early and sending them, yet they hearkened not unto me, nor inclined their ear, but hardened their neck; they did worse than their fathers. Therefore thou shalt speak all these words unto them, but they will not hearken to thee, thou shalt also call unto them, but they will not answer thee, but thou shalt their God, nor receiveth correction, say unto them, "This is a nation that obeyeth not the voice of the Lord truth is perished, and is cut off from their mouth. Cut off thine hair, O, Jerusalem, and cast it away, and take up a lamentation on high places for the Lord hath rejected and forsaken the generation of His wrath. Who are the generation of His wrath? It is the ones that fall to keep the word of God." Rev. 6:17. For the great day of his wrath is come and who shall be able to stand. Oh, you may say God was speaking to the people away back in olden times. Yes, but he is the same God yesterday, today and forever, and deals with the people in the same way spiritually. In him there is no variable-ness neither shadow of turning. He blessed the children of Israel when they were obedient, and punished them when they disobeyed, so he does with us today—read Rev. 22:7 v. last clause—Blessed is he that keepeth the sayings of the prophecy of this book. Respectfully,  
MRS. MINNIE MCKLEY,  
Paint Fork, N. C.

### Dreaded Aches, PAINS Disappeared

"My health had been poor for ten years, before I took Cardui," says Mrs. Anna Cronin, of Rockport, Ind. "I was lifeless and 'no account'. I dragged around day after day, every move an effort, and never feeling the joy of being well.  
"At times, I had a dreadful ache across my back, and my sides hurt me. I worried along, sometimes hardly able to leave my bed, but the demands of a growing family had to be attended to, so I would get up, do what was absolutely necessary, and then lie down again.  
"One day, someone suggested Cardui to me. I took it for several months, and all the time I was growing stronger, and less nervous. My aches and pains finally disappeared.  
"That was two years ago. My improvement has been permanent. The good health, which followed the taking of Cardui, is still with me, so I do not hesitate to recommend it to my friends."
