HALF-HEARTED Never Felt Well

"I don't see why women will drag around, in a half-hearted way, never feeling well, barely able to drag, when Cardui might help put them on their feet, as it did me," says Mrs. Geo. S. Hunter, of Columbus, Ga.

"I suffered with dreadful pains in my sides. I had to go to bed and stay sometimes two weeks. I could not work, and just dragged around the house. I got very thin. I went from a hundred and twenty-six pounds down to less than a hundred."

"I sent to the store for Cardui, and before I had taken the first bottle I began to improve. My side hurt less, and I began to mend in health."

"Cardui acted as a fine tonic. I do not feel like the same person. I am well now, and still gaining." For sale by druggists, everywhere. Give it a trial.

THE PLACE OF PRAYER

The dear old spot, where we love to go; In cold or heat, through rain or snow. The place of prayer—there Jesus meet us, speaks peace and joy; Where we forget the things, that do us annoy. Oh, spot so rare, where we should go, when in despair; For Jesus will remove our care. When we pray, there we bear our troubles to Him above. He hears and answers, Oh, God of Love. If on the upward way.
