CIVIL COURT CONCLUDES

As we went to press last week the case of John White vs Tom Moore et al, was being tried. With that case we give the remainder of the court proceedings.

The case of John White against Tom Moore was compromised. It is agreed that the land in controversy consisting of about 30-acres, be sold and after all costs were paid the balance to be divided between John White and Tom Moore. The plaintiff was suing for the possession of the land having deeded same to Tom Moore to take care of he and his wife during their life. The plaintiff stating that Tom Moore had failed to support him.

In the case of Hattie E. Anders against her husband, H. J. Anders, judgment was granted the plaintiff for the sum of \$3,500.00. The court having found that Hattie E. Anders had raised her family and paid the taxes on property in the name of her husband without any help from her husband, H. J. Anders, that he had abandoned her and that she had more than earned the title to the property. The land in question will be sold to her, etc.

In the case of Hattie E. Anders against Marshall Simpson, judgment was signed for the plaintiff giving her title to land which was owned by Simpson had been fraudulently gained by Marshall Simpson.

The case of R. H. Clark against Saphronia Henderson was completed after the jury answered the issue in favor of the defendant, Saphronia Henderson. Mr. John McElroy was attorney for Mr. Clark and gave notice of appeal to Supreme Court. John A. Hendricks and Guy V. Roberts represented Mrs. Henderson.

Five motions were heard in which Mr. James E. Rector, attorney of Asheville, had filed demurrers in several cases in which the county is plaintiff. The presiding judge ruled that the demurrers were disallowed.

Cora Anderson was given her freedom during good behavior. She was tried and convicted at January 1930 term of court for violation of prohibition laws and sentenced to Farm Colony for women, but on account of the institution being full she was returned to jail here.

POULTRY PEOPLE MEET

On Monday, the County Agent, called the poultry people of the county to meet Mr. Parrish, Extension Poultryman, in the local office. Mr. Parrish was greeted by 14 of those most interested. His talk consisted of a discussion of the diseases and parasites that trouble the flocks. He showed on charts the age of the birds when the different diseases were most in evidence and also the different season during which the flocks is most likely to be bothered by a certain disease or an individual parasite.

Mr. Parrish went more in detail relative to the Bacillary White Diarrhea and Fowl Typhoid. He showed the symptoms of these diseases and told how each was carried to the birds. It was a talk worth many dollars to anyone interested in poultry and the county agent wished that one of our

MARS HILL WINS OVER WESLEYAN

The intercollegiate debate last Saturday night at Mars Hill between debating teams from Tennessee Wesleyan College, at Athens, Tenn., and Mars Hill resulted in a victory for Mars Hill. The officers of the debate were Val Edwards, president, and G. R. Mumford, secretary. The debate was opened with a solo by Miss Mamie Perry, Miss Biggers at the piano. The query was for and against disarmament of all nations except for police protection. Wesleyan, represented by J. The judges were Judge Hyatt and Mr. Gilbert Morris of Asheville and H. L. Story of Marshall. Fol-lection was rendered by Vernon Jordan. As usual, the debate was interesting. NO CHANGE IN SUBSCRIPTION PRICE

The publisher of the News-Record is glad to announce that beginning this week its readers will receive two copies a week instead of one as heretofore. In doing this we are incurring considerable additional expense, but we are anxious to serve our patrons to the best of our ability. For the past two weeks our space has been so crowded in eight pages that it has been humiliating to us not to be able to give our readers a paper bearing the neat appearance we so earnestly desire. In order to do this, it is necessary to go into more pages, and instead of 12 pages on Fridays, it is our purpose to give our readers four pages on Tuesdays and the regular eight pages Fridays. This will enable us to get the news to you earlier and oftener and thereby serve you more acceptably. The subscription price will remain the same as heretofore.

TO OUR CORRESPONDENTS:

Please send in your news items as you have been doing heretofore—once a week—unless something important happens in your community. If some person dies suddenly, or has a fire or wreck—anything of an unusual nature, please rush it to us as early as possible.

Responses Will Be Much Appreciated

If our readers appreciate this extra service we are endeavoring to give them, we shall appreciate any letters or words of appreciation or approval. If any words of criticism come, if the criticism is constructive in nature, we shall welcome such as much as approval. If your subscription has expired, we shall deeply appreciate your sending in your renewal as soon as possible. Subscription renewals help not only as so much cash needed to run the business, but such renewals give us encouragement, making us feel that our efforts are appreciated. Now all together for a better and more progressive county represented by what has never been attempted in this county before so far as we know—a paper published more than once a week.

court held in Asheville recently, according to reports.

Judge Weaver at first assessed a \$25 fine and costs, but later ordered the fine stricken out and continued prayer for judgment for two years.

The pupil who was whipped was William (Buster) Brown. The defense claimed that the whipping was administered with a switch about the size of a lead pencil, but the prosecution produced witnesses that

the stick was much larger and that painful injuries were inflicted about the boy's back and shoulders.

Mrs. N. B. McDevitt was the first speaker on the program, having as her subject, "Requirements of a good Sunday school teacher." She (Carried to last page)

FIRE AT REVERE

of his house in Revere, N. C. completely destroyed by fire late afternoon. The fire started about 2 o'clock while Mr. McDevitt was in Marshall and his wife had just gone to the postoffice. Five small children were about the home but could not prevent a complete conflagration. Mr. McDevitt received no insurance from his loss, which he estimates at about \$4,000. It is thought that sparks from the fire started the fire on the shingle roof. Mr. McDevitt is a teacher in Madison County, his school having recently closed. He and his son, Mr. Newman McDevitt, were in Marshall Monday morning, and reported the loss.
