

DEATH OF REV. WILLIAM ERVIN ALLEN

Rev. William Ervin Allen died at his home in the Mashburn Gap April 6, 1930. He was 83 years old in January before his death. The funeral services were from his home, April 8.

Brother Allen was born January 16th, 1847. He was married in 1874 to Miss Sarah Cale Mashburn, and to this wedlock were born three children as follows: Mrs. Texanna Banks, of Marshall; Mrs. Savada Blankenship, of Asheville; and Mrs. Joe Alice Robertson, of Fairmont, Ga.

He was converted at the age of 29 years, and was baptized by Rev. W. A. Robertson. He then joined the Concord Baptist church of Yancey County, but for the past 16 years he has been a member of Davis Chapel church, and was an active member until about 3 years ago, when his health failed him.

Before his death, Brother Allen requested that Rev. N. H. Griffin and Rev. Cecil Reece conduct his funeral. They were assisted by his pastor, Rev. Henry Rice. He also requested that the 14th chapter of St. John be read.

The deceased is survived by his widow, Mrs. William Allen of Marshall, the above named children, four sisters, Mrs. Louise Crane of California; Mrs. Tommy Crane, of Flag Pole, Tenn.; Mrs. Gabriel Coats of Flag Pond, Tenn.; and Mrs. Jess Baxter, of Marion, N. C.

He is also survived by the following nephews: D. C. Allen, of Gaffney, S. C.; Robert Allen, Kings Mountain, N. C.; Guss Allen, Gastonia, N. C.; George Allen, Buckner, and Clausell Allen, Waverly, N. C. He had 14 grandchildren and 8 great grandchildren.

Brother Allen was a member of the Masonic Lodge and served as a soldier in the Civil War.

Mr. Allen, or "Uncle Bill," as he was sometime called, will be greatly missed by all who knew him, but we feel our loss is Heaven's gain, for God knows best.

His suffering was great, but he waited patiently for the end, when he could see his friends in Glory, to say good-bye no more.

He was laid to rest in the County Home cemetery, near his home.

The pallbearers were, Messrs Arthur Crows, Bob Crowe, Cammy Davis, Joe Taylor, Oscar Davis, Rossie Treadway, and Johnny Davis.

And A Long One At That After six months in the antarctic, the Byrd expedition ought to be willing to call it a day.—The Pathfinder.

A Sour Stomach

In the same time it takes a dose of soda to bring a little temporary relief of gas and sour stomach, Phillips Milk of Magnesia has acidity completely checked, and the digestive organs all tranquilized. Once you have tried this form of relief you will cease to worry about your diet and experience a new freedom in eating.

This pleasant preparation is just as good for children, too. Use it whenever coated tongue or fetid breath signals need of a sweetener. Physicians will tell you that every spoonful of Phillips Milk of Magnesia neutralizes many times its volume in acid. Get the genuine, the name Phillips is important. Imitations do not act the same!

WHAT A DIFFERENCE 90 DAYS MAKE!

TODAY A TODDLING CHICK... in 90 days a proud pullet about to lay. There's something to think about! Tiny bones and little muscles have grown several times in size... a delicate fuzz has sprouted into hundreds of feathers... a chick weighing grams has grown into a pullet weighing pounds... all in 90 short days!

A wonderful change... and only one thing can do it... good feed! This year consider Purina Startena Chow (mash) and Purina Chick Chow (scratch) or All-Mash Startena Chow for the first six weeks... and then Purina Growena and Purina Intermediate Hen Chow until your pullets are laying at 16 weeks.

Put these Chows before your chicks. You will see pullets that are built right... pullets that will lay eggs aplenty in fall and winter when eggs are always worth good money.

It May Be Urgent

When your Children Cry for It

Castoria is a comfort when Baby is fussy. No mother takes more than the first cup in an hour. If you give a few drops for Colic, it is a baby remedy, most for babies. Perfectly safe to give to youngest infants; you have the doctor's word for that! It is a vegetable product and you could use it every day. Be sure in an emergency that Castoria means relief—other suffering. Never be without it. Some mothers keep an extra bottle, to open in the house. It is useful for older children, too; read the box that comes with it.
