MARSHALL, N. C., THURSDAY, MAY 2, 1935.

PRICE \$1.00 A YEAR

NOT ANY OPPOSITION IN MARSHALL MUNICIPAL ELECTION

C. D. Bowman To Be Mayor and Three Nominees Before Announced To Be Aldermen

The time for filing for the municipal election for the town of Marshall having passed, each office having only one nominee, there will be no opposition and those who filed are practically elected. Mr. C. D. Bowman was the only one to file for mayor. Mr. O. C. Rector, who was named for this office by the recent convention declined to accept the nomination. For Aldermen, J. M. Baley, J. J. Ramsey, and W. A. West were nominated and will be elected without opposition. However, the election will be held in regular form and while one ballot would be sufficient to elect, it will be well for all the voters of the town to cast their ballot, showing they are behind the officers who have agreed to serve. Absentee ballots cannot be used in a municipal election, but in this election there will be no demand for any.

New Bills Introduced In Raleigh

On April 26th House Bill 1284, "To regulate the salary of the county attorney of Madison County" was introduced and sent to Committee on Salaries and Fees. The bill would authorize the County Commissioners to fix the County Attorney's salary at not exceeding \$25 per month, and would also authorize them to employ some attorney other than the County Attorney to represent them at such times and for such compensation as they deem necessary.

On the same date House Bill 1285, "To regulate the salary of the tax collector of Madison County" was introduced and sent to Committee on Salaries and Fees. The bill would authorize the Commissioners to fix the Collector's salary at not exceeding \$100 per month.

BASEBALL AT MARS HILL FRIDAY AND SATURDAY

Mars Hill college is making preparations for the two outstanding baseball games of the year here this Friday and Saturday. Belmont, N. C. will furnish the opposition Friday and Textile college of Spartanburg, S. C. will be here Saturday. Belmont has perhaps the best team to ever represent them and Mars Hill only managed to defeat them there last week 2-0. Textile is one of the few teams to ever defeat Mars Hill at Mars Hill. This feat was accomplished last year, Textile defeating Mars Hill, 3-2. Both Belmont and Textile have experienced teams with good pitching. The Friday game will be called at three thirty and the Saturday game at three.

Mars Hill is having a great year in baseball. The team is hitting at a .337 clip and averaging ten runs per game. The pitchers are going well with Wirtz leading with four wins and no defeats; Meacham three wins and no defeats; Parker two wins and one defeat. Kell has won one and lost two. The team has won ten of its thirteen starts and should eclipse the record made by the team last season which won twenty out of twenty four games.

CLUB LADIES INVITED FRIDAY

The Marshall Civitan Club will meet next Friday night instead of as usual. The wives of the married members and sweethearts of those not married, will be invited and the meeting will be at the home of Mr. and Mrs. W. A. West—the King property formerly known as the Montezuma hotel. The dinner will be served by the ladies of the Marshall Baptist church. A program is being arranged by the program committee composed of James Baley, Calvin R. Edney and O. S. Dillard. It is customary for the ladies to be invited about once a year. The meeting May 17 is expected to be devoted more to a discussion of road projects.

WOMAN'S CLUB

The Women's Club will meet Wednesday at 3 o'clock with Mrs. R. E. Ramsey at her home at Walnut. Mrs. O. S. Dillard will lead the program.

S. S. CONVENTION

As has already been announced, the French Broad Baptist Sunday School Association will hold its monthly convention with the Corn's Chapel Baptist church, May 5 at 2 P. M. A great temperance program will be rendered. Mr. Robert Tweed had been selected to preach the introductory sermon but Mr. Tweed's physical condition makes it impossible for him to serve. Someone else will be selected for this place.

A Temperance reading contest will be held in which five students from Mars Hill College will participate. A silver dollar will be given the winner in this contest. Three judges have been selected to judge this contest as follows: Rev. Wade White, chairman, Laurel Branch, Mr. Wm. Worley, Marshall, Mr. E. E. Briggs, Flag Pond, Tenn.

The closing address will be delivered by Hon. Calvin R. Edney who will speak on Prohibition.

The Associational Supt. is confidently expecting 1000 people to be present at this gathering. The meeting has been widely advertised and many messages have been received from the various churches signifying their intentions of being present when the roll is called. All the churches in the immediate vicinity of Corn's chapel are expected to delegate their entire church membership. Unquestionably, this will be the greatest public gathering of any kind ever known to the Upper Laurel section of Madison County. The singing, talks, speeches, addresses and

sermons will be far ahead of the average program of an associational gathering. The privilege of attending this convention is a God given opportunity to the Baptists of the French Broad Association.

SPRING SONG

There's something 'bout the woods, in spring.
When grass is sweet and green,
And shadows dance upon the ground,
With sunshine in between,
That gets beneath a person's skin—
Both plump and skinny "figgers,"
There's something 'bout the woods, in spring—
You said it, bwother—chiggers!
—C. M. Andrews

"How do you suppose Solomon got his great reputation for wisdom?" inquired Mrs. Peck.

"Oh, I am sure, Henrietta, it was not from anything he thought up for himself," responded Henry, meekly. "You know he had a great number of wives and he probably listened carefully to all of them."—Ex.

Mother's Day Program at Liberty Church May 12

There will be a Mother's Day Program held at Liberty Baptist church, Spring Creek, N. C. on the second Sunday on May 12, 1935.

The program is to be held in honor of the Mothers of our community, and all other Mothers who wish to attend the program.

This is to be an all day affair. In the afternoon the annual singing convention is to meet with us. We cordially invite and urge as many classes and quartets to attend as possible.

We want everyone that can to take a part with us.

The program is being sponsored by the teachers of the Sunday school. Each of the five classes are planning a program.

Those who live in a far distance, will find welcome in the homes for dinner.

Our Sunday school has held up well through the winter season, having a large enrollment every Sunday.

Mr. H. W. Eblin who is Superintendent of our Sunday school, organized a B. Y. P. U., both for the young and adults, which is making much progress. We are carrying out the regular rules which have been adopted for B. Y. P. U. organizations. The adults have their meetings each Sunday night, and the Juniors each Sunday afternoon. The Sunday school has now taken a step toward making the Sunday school on the standard list. We would appreciate as many new members as possible to take a part with us. Each Wednesday night, there is a prayer meeting held at the church, sponsored by the B. Y. P. U. Some nights the Prayer meetings may be moved to private homes for the older people and sick who are not able to attend. We want everyone to come and be with us on Mother's Day, and feel welcome in our church.

There will be a token given to the oldest mother present, to the youngest mother present, to the mother who has the largest family present, and one to the mother who has the most children present or away.
