

THE NEWS-RECORD

THE ESTABLISHED NEWSPAPER OF MADISON COUNTY

VOL. 34

8 Pages

MARSHALL, N. C., THURSDAY, AUGUST 15, 1935

PRICE \$1.00 A YEAR

QUARANTINE TO BE LIFTED FRIDAY IF NO NEW CASES DEVELOP IN COUNTY

CHURCHES WILL RESUME SERVICES SUNDAY

Dr. W. A. Sams, County health official, said Tuesday that unless other cases of infantile paralysis are reported in the county this week, schools will open August 26, as quarantines on all present cases will be lifted Friday of this week. Church services in Marshall will be held Sunday.

FAMILY REUNION

There will be a family reunion of the J. Z. Coates family at the Coates' home at Grape Vine Sunday, August 18, 1935.

SAMUEL RUNNION DIES AT HOME IN WALNUT

Funeral services for Samuel Runnion, 35, veteran of the World War, who died Wednesday of last week at his home at Walnut, were conducted at 1 o'clock Friday afternoon at the Oakwood cemetery in Spartanburg, S. C. The Rev. James Hyde and the Rev. Mr. Phillips officiated. Surviving are his widow, Mrs. Lucy Wood Runnion; his parents, Mr. and Mrs. W. P. Runnion of Spartanburg, S. C.; his grandmother, Mrs. R. J. Henderson, of Walnut; and three sisters and two brothers.

JAMES LUNSFORD HERE FOR TRIAL

Louisiana Man to be Tried at August Term for Murder in 1901

Mr. and Mrs. James Lunsford of Louisiana have come for the third time to Madison to attend court, where Mr. Lunsford is charged with the murder of Eli Bud Lunsford in 1901. Mr. Lunsford is known in his adopted state as George Franklin. Mr. and Mrs. Lunsford were accompanied by Earl Leger of their home town, De Quincy, La., and Jessie Allen of Leesville, La. The pair arrived at Barnard Sunday and will spend some time with relatives and friends in the county before the August term of court convenes. It will be recalled that this is the third time he has come to the county to be heard in this matter, the case being continued from time to time.

SALES TAX REPORT MUST BE PROMPT

Penalties To Be Imposed on All Delinquent Sales Tax Re- turns After Aug. 15

Mrs. Sam J. Huskins, Deputy Revenue Commissioner, calls attention to the following statement issued by A. J. Maxwell, Commissioner. One important change in the new sales tax law is that reports are now required to be made monthly by every merchant, however small his sales may be. Under the old law, if sales resulted in a tax of less than ten dollars, reports could be made quarterly. Another provision of the new law is a uniform penalty of five per cent (minimum penalty one dollar) on all returns not made by the 15th of the month. This penalty will become effective on all returns not mailed by August fifteenth, and monthly thereafter.

TWO ARE CHARGED WITH PUBLIC DRUNKENNESS

Herbert Allen and James Adams were placed in the Marshall jail Saturday afternoon by members of the Sheriff's department charged with public drunkenness after they had had a collision with the car driven by Dr. J. Lawrence McElroy on the bend at Dr. Sams' home. The two men were driving eastward and Dr. McElroy was going toward his home. After investigating, officers placed the blame for the wreck upon Adams, driver for the two boys. No one was seriously hurt but Dr. McElroy's car was badly damaged. The boys were released on bond.

BROWN REUNION NEXT SUNDAY

In Hot Springs last week we learned that the Brown reunion would be held next Sunday, August 18, at the home of Mr. and Mrs. S. W. Brown.

M. E. CHURCH NOTES

The Rev. W. B. West, Presiding Elder of the Asheville district, will preach at the Marshall Methodist Church next Sunday night, August 18, at 8:00 o'clock, and will hold the fourth Quarterly Conference immediately after the sermon. The officials of the charge are expected to be present and the public is cordially invited.

J. R. DUNCAN, Pastor. A series of revival services will begin at the Marshall Methodist Church on next Monday night, August 19. The Rev. E. H. Nease, pastor of the West Asheville Methodist Church, will preach each evening throughout the week at 8:00 o'clock. A hearty invitation to every one in Marshall and the surrounding territory is extended.

J. R. DUNCAN, Pastor. The Woman's Missionary Society of the Marshall Methodist Church will meet with Mrs. Guy English on Wednesday, August 21, at 2:30 o'clock. The regular meeting on the 14th was postponed at the request of the County Health Officer. A full attendance is requested for the next meeting as some important business is to be transacted.

Important Series of Health Meetings To Begin This Week

A series of nine community and midwives' meetings will be held over the county beginning August 16, conducted by Dr. W. A. Sams, County physician, assisted by Miss Flora Ray, a nurse from the State Board of Health at Raleigh.

The midwives are expected to attend at least one of these meetings, and it is hoped that the ladies in the different communities will also come, particularly those mothers who depend on midwives for their care at time of childbirth. It is earnestly hoped that the Register of Vital Statistics will attend the meetings and help impress on the people the importance of registering the birth of every baby that is born in the state.

The times and places of the various meetings are as follows:

White Rock School building, Friday, Aug. 16, at 9 a. m.
Marshall court house, Saturday, August 17, 9 a. m.
Mrs. Cap W. Cody's store, Monday, August 19, at 9 a. m.
Mars Hill Grade School building Tuesday, August 20, at 9 a. m.
Barnard store, Barnard, N. C., Tuesday, August 20, at 2:30 p. m.
Spring Creek School building, Wednesday, August 21, at 9 a. m.
Hot Springs Community House, Thursday, August 22, at 9 a. m.
Sandy Mush School, Friday, August 23, at 9 a. m.
Marshall Court House, Saturday, August 24, at 12 noon.

The 36 farmers of Cleveland County who grew 25 acres of raspberries this season sold \$776.57 worth in addition to having a supply for home use. Much of the crop was canned or conserved as jelly and jam.

HOT SPRINGS BEAUTY MARRIED

"Miss Madison" Announces Wedding Last February

Friends of the contracting parties received last week the following announcement: "Mrs. Mildred Hill Izlar announces the marriage of her daughter Mary Lee to Mr. Francis Edward Smith on Saturday, February the twenty-third, nineteen hundred thirty-five, at Charlotte, North Carolina."

It will be recalled that on July 27, 1933, Miss Izlar was named "Miss Madison", being adjudged the most beautiful girl in this County. She won the loving cup over 30 or 40 of Madison County's most beautiful girls on the stage in Marshall, the beauty contest being staged by the American Legion. She is a descendant of the Rumbough family, and a grand niece of the late Mrs. B. M. Safford. Her paternal grandfather was Judge James F. Izlar, of Orangeburg, S. C., and her maternal grandmother was Beverly W. Hill, a native of Virginia, who made his home at Hot Springs. She was Miss Hot Springs in the popularity contest at the Rhododendron Festival in 1931. Mr. Smith is connected with the United States Forestry Service, and they are making their home at Hot Springs.

TWO DEGREES CONFERRED AT MARS HILL COLLEGE LAST FRIDAY

Meredith College, Raleigh, con- fers the Degrees Through Dr. Tyner

The first degrees ever conferred at Mars Hill College were those last Friday at the close of Wake-Forest, Meredith, Mars Hill summer school upon Miss Katherine Killian of Newton and Miss Elizabeth Barker of Leakesville. After the degree had been conferred upon Miss Killian by Dr. Tyner, a Bible was presented by Dr. J. A. Beasley, pastor of the Wake Forest church. This was in keeping with the custom at Meredith, every graduate being presented with a Bible. The exercises were held in the college auditorium from 12 o'clock to 1 o'clock Friday. Dr. B. Y. Tyner of Meredith being the master of ceremonies. The principal address was by Dr. E. M. Poteat of Furman University. Dr. Poteat defined education as "harmonious adjustment to one's total environment". His clever address was unique and impressive, showing very forcefully to the students their infinite relationships, spatial, temporal and social, and addressed them as citizens of eternity. The program was opened with the audience singing "America the Beautiful". The invocation was by Dr. J. T. Riddick of Durham. Dr. Tyner, director of the Mars Hill division of the summer school, expressed his appreciation of

the cooperation of all those connected with Mars Hill and the summer school. Among the ten who received diplomas awarded by President Moore were Harley Cody, Walter Ramsey and Miss Lillian Whitehurst of Marshall, Miss Whitehurst and Neil Hartly of Boone being awarded diplomas in expression. Dean Carr of Mars Hill presented President Moore with the diplomas for the candidates.

The exercises last Friday brought to a close the first term in which the three Baptist colleges have cooperated to give Western North Carolina a senior college summer school. Professor Tyner pointed out three highly pleasing aspects of the term. First, the enrollment of more than 200 represented a wide geographic constituency, 13 states, 45 of North Carolina's 100 counties, and three foreign countries.

He said that a second advantageous phase of the term is the wide scholastic constituency of the student body. Thirty-four colleges had students in attendance; 22 of the students had baccalaureate degrees, and 75 had teachers' certificates.

The third point of advantage Prof. Tyner indicated, is the excellent summer climate of Western North Carolina and the easy access to many scenic points of interest. During the term, several college-sponsored trips were made throughout this section.

LABOR DAY CELEBRATION AT CANTON TO DRAW BIG CROWD

(Special to the News-Record) Canton, Aug. 13. — Plans are under way in this Haywood County industrial center for Canton's 28th annual Labor Day celebration to be staged here Monday, Sept. 2, it was announced by Dave H. Harris, Champion Fibre Company official, who has been unanimously elected general chairman of the event.

As a special preliminary feature of the Annual Labor Day attraction, a religious program, including band concert, sacred music from the choirs of Canton churches, and a fifteen minute address by a prominent speaker, is scheduled for the Champion Park Sunday evening at 7:00 o'clock. All Canton churches will cooperate with this event, it has been announced.

When the more than 15,000 persons, representing all sections of Western North Carolina, pour into Canton for the Labor Day attractions on Monday, September 2, they will be greeted by a feature band concert at 9:00 o'clock, followed by another at 1:00 o'clock. A special address will be delivered at this time, which will be followed by daylight fireworks. There will be another fireworks display at 9:00 o'clock Monday night, it being announced that the fireworks displays will be the largest ever offered in this section.

Folk singing, including old fashioned songs, will be given by quartets, groups and individuals from every section of Western North Carolina at 12:30 Labor Day, in addition to many novelty features. The folk singing will be offered in the form of a contest, prizes being offered for the best selections by groups and individuals.

A special feature of Monday night's program will be a string band and square dance contest, in which all leading teams from Western North Carolina will participate. Mr. Bascomb Lamar Lunsford, a specialist in folk dancing and singing, will have charge of this part of the program. Clubs from Knoxville, Middlesboro, Ky., Asheville, Gastonia and Canton are expected to take part in a skeet shoot to be held at the Champion Skeet Club, while horse shoe pitching, corn husking, swimming contests, tag-team wrestling, and other contests, and races of almost every description will also feature the day's entertainment.

Every visitor to Canton on this day will find just the brand of entertainment he desires, and he will also be made to feel perfectly at home throughout the celebration.

Original Order as to Route 3 Effective 16th Of This Month

Editor News-Record:

There has been some misunderstanding with reference to the extension of Route 3 out of Marshall, N. C. I am advised today by the Department, that effective August 16 the original order as published in your paper some days ago will go into effect.

N. B. McDEVITT, P. M.

C. J. RICH WILL NOT ACCEPT POSITION OF COUNTY AGENT

SEVERAL APPLICATIONS ARE FILED

Mr. C. J. Rich, reported several days ago to be the next County Agent, succeeding Earl Brintnall, has informed

Wm. V. Farmer, chairman of the county commissioners, that he will not accept the position. Mr. Farmer said Monday that several other persons had filed their applications for the position.

TAXPAYERS

READ EVERY WORD OF THIS NOTICE

If you have built houses, burley barns, or any other kind of building worth \$100.00 or more since 1927, and have failed to list such buildings as improvements, you must do so at once. All mortgages, deeds in trust, and, more especially, money on hand the first of April must be listed.

If you had a dog the first of April, you must list it for taxes, even if since that time you have killed it, given it away or disposed of it in any way. (Do not get "in bad" by violating the law a second time by disposing of such property to avoid paying taxes.)

The Legislature, composed of 16 Republicans and 154 Democrats, passed the much-needed law to check on unlisted property. I feel the Democratic party should be represented in the enforcement of this law; for that reason I have appointed to assist me, Carl B. Hamlin of Mars Hill, a democrat. If I should see fit, as I probably will, to appoint others I shall appoint 50-50 from each party.

I believe in playing fair with both parties; this is OUR COUNTY.

E. W. REECE
TAX SUPERVISOR

STATE INSPECTOR OF WEIGHTS AND MEASURES HERE THIS WEEK

WALNUT YOUTH IS HURT IN ACCIDENT

FOUR TOURISTS HELD PENDING HEARING

Seriously injured and still unconscious at the time of going to press, Oakley Stanton, 13-year-old foster-son of Mr. and Mrs. Arthur Gentry of Walnut, is in an Asheville hospital after an accident Tuesday evening in which the bicycle he was riding was struck by a passing car.

Mr. and Mrs. G. B. Hereford and an unidentified couple, of Nashville, Tenn., are being held in Marshall on bond pending the outcome of a hearing this afternoon.

According to reports, the car was not going at an unreasonable rate of speed when the accident occurred, but could not be stopped in time when the boy rode suddenly into the highway from a side road.

The tourists stopped immediately and took the boy on to the hospital in Asheville after unsuccessful efforts to locate a doctor in Marshall.

Mars Hill Football Men To Begin Work Sept. 9

The call has gone out to all candidates for the Mars Hill football team to report September 9, and to be in perfect physical shape by that time, since Coach Roberts will have only eleven practice days in which to whip his team into shape for the opening game with Tennessee Wesleyan on the 21st.

Several replacements must be made in the team this year, as there will be but four linemen, only two of whom are regulars back in uniforms. Three regular backs will report and the team will have to be built around these men. Wirtz, Clark and Parker will bear the brunt of the attack and when these boys are right they are hard to stop. They were able to score 112 points against 6 in junior college competition last year. With a line able to stand up to these boys, they should be able to go this year.

The North Carolina Junior College Conference will permit passing anywhere behind the line of scrimmage, and will move the goal posts back to the line of scrimmage. This will help the offense to balance the defense. Every coach admits that defensive play had the edge on the offense under last year's rules, and these changes should be interesting to the football fans of the state.

Although many old men were lost from last year's team, Coach Roberts says that more than 50 new candidates have spoken their intention of trying out for the team.

GLEANINGS From the Dailies By S. M. H., Jr.

"A vicious hoax" is what the American Medical Association calls the plan of Dr. Ralph S. Willard, California monkey-freer, to freeze a human being solid and try to revive him. Last week, after the monkey was "revived" after six days of freezing, a 34-year-old Hollywood writer named Stephen Simkhovitch volunteered to undergo the same treatment. A contract was made freeing the doctor from responsibility if he dies as a result. But whether it will actually go through with it is doubtful.

Another score for commercial airlines, which seem to be able to get their passengers onto the ground safely despite all manner of trouble in the air. This time 6 passengers were set down in Newark while police, firemen and ambulances expected a crash. The big plane's landing gear got out of line and jammed; the pilot herded his passengers to the rear of the cabin to take the weight off the bad wheel, brought the plane down on its one good wheel and the tail-skid.

Someone has it in for chiefs of police. Within 30 days four have been murdered on the Pacific coast. Most recent victim was Elton G. Fish of the North Sacramento force. Three men are held on suspicion.

New Yorkers still believe in bodyguards, in spite of the general idea that the gangs and the rackets are on the decline. Although Mayor La Guardia stoutly refuses to recognize the need for them, many "big shots" are increasing their personal armies; in one case a bodyguard was even hired to protect the bodyguard.

Oddities: If you would live to be a hundred, get yourself born into a family of long-lived people. A recent study shows that the ability, or whatever it is to live a long time runs in families. In Charleston, twin sons were born to Benjamin and Hattie Jones, colored. So they named the one Pete Lucas Jones; the other, Repete Lucas Jones. On Aug. 10, the birthday of former President Hoover, someone noticed that grass was growing on only one Washington street, despite Hoover's prediction at the time of the last Presidential campaign. That one street is Hoover Road and the grass is about 14 inches high.

Mr and Mrs. O. L. Yates Make Report on Findings in Marshall

Some of the business men of Marshall are not living up to correct weights and measures, according to state inspectors Mr. and Mrs. O. L. Yates. They visited the business places the first of this week and checked up on all kinds of weighing and measuring devices. They reported to The News-Record that the gasoline pumps were found to be about 80 percent correct. Scales were about 78 percent correct. They tell us that if the gasoline pumps are correct there will be white tags on them carrying the name of the inspector and the date of inspection. When the pumps are incorrect there will be a red tag on them. If the scales in the stores are correct they will bear a state seal—a green one. If there is a red tag on the scale it is out of commission and cannot be used to weigh on. If scales and pumps bear neither seal then there was a slight adjustment to be made and corrected. They tell us that in comparison with other towns in the western part of the state Marshall shows up rather favorably.

The division of weights and measures is under the Department of Agriculture. If the buying public will note the tags on the scales and pumps and note that they have the state seal of approval on them they will be getting exactly what they pay for—no more, no less.

DECORATION

There will be a decoration of the two cemeteries at the Flats of Spring Creek Baptist Church Sunday afternoon, August 25.

On Saturday, August 17 the graves will be cleaned off. Everyone who has friends or relatives buried here please come and help.

NOT YET KNOWN IF SCHOOLS WILL OPEN THIS MONTH

Tentative Date Is Aug 26, But May Be Further Delayed

Superintendent J. O. Wells tells us that the high schools of the county will not open before August 26 and that it is not at all certain that they will open that day, due to the infantile paralysis situation. It may be necessary to postpone the opening until even a later date.

TAX BOOKS SHOW FAILURES TO LIST

The News-Record has the following open letter from Mr. E. W. Reece, Tax Supervisor for Madison County:

"The average person does not have the remotest idea of the amount of unlisted property in Madison County. According to preliminary investigation, there seems to be a certain space mine in this county from which there has been sold approximately \$100,000.00 worth of mineral. But according to the records so far as I can learn there has been no return on this to the county.

"According to the best information I can get from the records and other sources of reliable information, there are dozens and dozens of expensive houses that have been built on farms and lots since 1927 not listed at all; or if so, at a very small percent of their real value.

"There seem to be great numbers of articles of personal property not listed, such as automobiles, fridges, pianos, radios, diamonds, and almost any number of other things.

"It will take months to complete the job of listing all this property this county and in other counties and hundreds of miles of travel in states to make a complete check on money and other things that should be listed.

"It is my intention to comb this county with a fine-toothed comb, figuratively speaking, for unlisted property. I welcome the support and aid of all citizens.

"Do not ask special favors for I positively will not vary from the course of fairness and justice, regardless of your social, financial or political standing. Democrats and Republicans look just exactly alike to me, so far as justice is concerned, and I shall apply the straight edge to all with the same degree of accuracy."
